RE: TRACKWRESTLING INDIVIDUAL RECORDS & STATE SEEDING

State seeding will be conducted via Trackwrestling. This is a reminder you will need to submit district tournament rosters with complete and accurate varsity individual results for all district tournament entries. The district event will be added to your schedules and you will submit your rosters using the green envelope icon next to the event. It is your responsibility to ensure the record and matches you submit at the district tournament are accurate for every entry.

To check your individual records for accuracy:

1. Log into your TW account
2. Go to [Roster] and select your district participants and hit [Update Selected Records]
3. You can then go to [Matches] and select each individual wrestler to review their matches
4. Make sure each varsity match is labeled "varsity" and there are no duplicates, omissions or inaccuracies in your varsity individual records
5. Any errors need to be fixed inside your schedules and any individual records updated
6. The record that is updated in the [Roster] is tied to each individual's matches
7. If an individual has JV matches associated with their overall record, those need to be excluded from their record

To check returning 2018 state placing criteria:

1. Log into your TW account
2. Go to [Roster]
3. Select returning 2018 state placers
4. Click on [Criteria Values]
5. Contact me if wrestlers are missing or have incorrect 2018 state placing

*NOTE – Make sure you are staying on top of your records. Any teams failing to submit their district rosters by the deadline (Tuesday, February 12th) or submitting rosters with inaccurate varsity results will be subject to a \$250 fine.

Thank you.

SEEDING FOR 2019 NMAA STATE WRESTLING TOURNAMENT

DISTRICT MEETINGS

Meetings of wrestling coaches within each district are held prior to the state seeding meeting:

1. Designate representatives to the state seeding committee. Representatives are selected based on the results of the district dual meets. The coaches of the championship team and runner-up team shall be the representatives.
2. Verify varsity records and results for state qualifying athletes.

STATE MEETING

A seeding meeting via web conference call is conducted under the direction and supervision of the NMAA on Monday preceding the State Tournament. Seeding is overseen by a **committee** composed of district representatives. The tournament director (authorized by NMAA) may appoint others to assist with the process as necessary. Entries shall be considered verified at the conclusion of each classification's seeding meeting.

SEEDING PROCESS

- A. Eight individuals are seeded in each weight class in 5A and 4A, four in A-3A.
- B. Trackwrestling software will be used to seed all weight classes.
- C. NMAA Wrestling Seeding Rules are as follows:
 1. All wrestlers with a .500 record or better are considered for a seed.
 2. Schools wishing for wrestlers below .500 to be considered for a seed must request inclusion in the seeding process prior to running the seeding report.
 3. Criteria points are earned against all wrestlers considered for a seed in the following priority order:
 - a. **Head-to-head results**
 - b. **Records against common opponents**
 - c. **Returning state place** (previous year state tournament only)
 - d. **Best overall percentage record** (must have wrestled a minimum of sixteen (16) varsity matches this season; record to include all varsity matches in all weights)
 4. The wrestler with the most "points" earns the one seed. The wrestler with the second most points earns the two seed, etc.
 5. Tie breaking procedures are as follows:
 - a. If two individuals are tied on points they will be compared alone and awarded seeds based on the priority criteria procedure listed above.
 - b. If three or more individuals are tied on points they will be compared alone and awarded seeds first using returning state place and then best overall percentage record if a tie is not broken by returning state place.
 - c. If three or more individuals remain tied the seeding committee shall vote on the order of seeds. In case of a tie vote, the seeds are determined by a coin toss or draw of lots.

VERIFICATION OF ENTRIES EXCEPTION

- A. If a seeded wrestler withdraws after the verification of entries, the following rules will be applied:
 1. All seeded wrestlers below the withdrawing wrestler will shift up one seed.
 2. The first unseeded wrestler in the Trackwrestling seed matrix will assume the final seed.
 3. The first alternate is added to the field and the bracket is redrawn.
 4. Alternates will be selected based on the following criteria in priority order:
 - a. Best Overall Percentage Record
 - b. Number of wins
 - c. Coin toss or draw of lots
 5. Deadline for seeded wrestlers to withdraw is 11:59pm Wednesday the week of the state tournament.
