## Class 5A

The 2022 NB3 State Golf Championships presented by Realty One of New Mexico will be a memorable event for Class 5A high school golfers because of a new location, record round, and three-hole playoff. For the first time ever, the Class 5A State Championships were held at the Twin Warriors Golf Club located on the Santa Ana Pueblo. Fighting 40 mile an hour winds on the opening round, Cibola senior Aiden Krafft still managed to post a 71 to head into the final day with the individual lead. On day two, Krafft went low, very low. The future University of Oregon golfer shot a final round state record 12-under par 60 to win the Class 5A individual title by 13 shots. The score of 60 matched the lowest round of Krafft's career.

As a team, the Deming boys beat Cibola in a three-hole playoff that lasted nearly two hours to determine an overall winner. Both teams finished their rounds with a total score of 619. Piedra Vista was third with a two-day total of 627.

On the girls side, 8th grader Eleanor Warden, representing Organ Mountain High School, took top honors. Warden posted a two-day total of 151 (76-75), three shots better than defending state champ Alex Armendariz of Centennial High School. Centennial won the Class 5A Girls Team Title with a total of 716, 12-shots better than second place La Cueva.
