

2024 Nusenda Credit Union State Basketball Championships Quarterfinals, Semifinals and Finals

March 12-16 State Tournament Information

1. No more than 14 players from any school may participate in the state tournament or be in uniform. The roster used in the 1st round of state is the roster that must be used for the rest of the state tournament. (If a verified medical problem exists, a player may be substituted for the remainder of the tournament with approval from the tournament/site director.)
2. During the contest, no more than 20 members of a qualifying team will be permitted free entry and may sit on the bench, behind the bench, or at the scorer's table. This includes players, coaches, managers, JV players, administrators, etc. This rule will be strictly enforced! Please do not attempt to get more than 20 members in the gym, on the court, or in the locker rooms. The athletic trainer will not count toward your 20 team members.
3. Bus drivers will be admitted free of charge through the Comp Door at all three sites.
4. The Comp Door at The Pit is located on the Southeast corner of the building; at Rio Rancho Event Center it is located to the left of the ticket booth, east side, lower level; and at Bernalillo, the comp door will be at the main entrance on the south side of the gymnasium.
5. Beginning with the 1st round, when not participating, players involved in the tournament will be admitted free of charge at the comp door by producing an ID and being listed on the team's roster. Coaches will enter by using the complimentary "yellow or green" pass designated by their Superintendent.
6. Players and coaches participating in the quarterfinal round will receive a souvenir bag tag. Bag tags will be handed to the coaches prior to their quarterfinal game. Bag tags do not give players free entry into tournament venues. They are merely a souvenir for the players.
7. If participating in a game at The Pit, team personnel will gain entry through the comp door on the east side of the Pit. One hour before game time, a locker room will be assigned to the team. Each team will be given "coach-player" passes for coaches, managers, and trainers to gain access to the ramp. Security will not allow anyone up and down the ramp unless this pass is visible (including coaches). Athletes must be in uniform to gain access to the ramp.
8. If participating in a game at the Rio Rancho Event Center, team personnel will gain entry through the Northwest Corner of the building at Gate 3. One hour prior to game time a locker room will be assigned to the team. Each team will be given passes for team personnel to gain access to the locker room and court areas. These passes must be visible and must be turned in to designated personnel at the completion of the game. If not participating in a game within one hour, team personnel may enter the facility thru the comp door located on the left side of the main ticket office.
9. Officials for state quarterfinal, semifinal and final basketball contests may be assigned in one of two ways: split crews (one official from each of the regions participating schools, plus one "neutral" official) or neutral crews (officials from any of the three regions not represented in that game). Officials may not work for the same school in back-to-back games. The NMAA Commissioner of Officials and Regional Assignors, with approval from the Executive Director will make the game assignments throughout the tournament.

10. The home team is defined as the higher seed. The home team will be in white uniforms and will occupy the bench to the left of the scorer's area, as he/she normally faces the playing floor. The visiting team will be in dark school colored or black uniforms and will occupy the bench to the right of the official scorer. During the 1st round, the home team will decide which bench they will be occupying.
11. Please be courteous and pick up all cups, trash, and water bottles around the bench area immediately after each contest.
12. All teams are guaranteed a minimum of 15 minutes of warm-up time prior to each contest.
