

# NMAA 11-Man Football Records

as of 01-27-2016

The "modern era" for football in New Mexico can be determined to be 1950 when the NMAA established a method for determining state championships. While the NMAA monitored and regulated the sport prior to 1950, it had no reason to verify or maintain records of schools or athletes. Consequently, where noted, these records are from the modern era beginning in 1950.
