Home-Team
Away-Team
Site
08/28/2018
12:00 PM
These four columns have dropdown boxes associated with them. (NOTHING SHOULD BE TYPED IN THESE FIELDS) When you select a field a little triangle will appear. You click the triangle and a pick list will appear. You scroll down to find the game level, home team, away team, and site, and click on your selection and it will automatically fill in.
If a team or site is missing please put the information in the email that this spreadsheet is attached to and it will be entered.
