

NEW MEXICO ACTIVITIES ASSOCIATION

2018 - 2019

FOUNDATION

ANNUAL REPORT

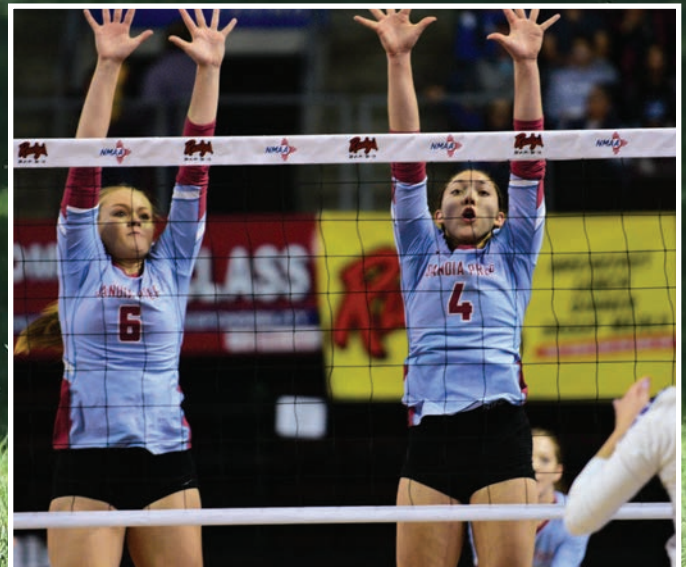

MISSION STATEMENT

The New Mexico Activities Association Foundation is a 501(c)3 non-profit organization that was established in 2007 to support the many students that participate in high school athletic and activity programs across New Mexico. The funds raised by the Foundation are used for student scholarships and school grants/support.

ORGANIZATIONAL VISION

Enhance the opportunities for students to succeed through their participation in interscholastic athletics and activities, which are an integral part of the educational process.

SCHOOL GRANTS/SUPPORT

Part of the NMAA Foundation's initial mission was to provide financial assistance to schools that were starting new athletic/activity programs. From 2007- 2012, the organization distributed over \$26,000 to approximately 15 NMAA member schools. This initiative has since been reorganized and support is now not only available for schools that are starting up new programs, but also for schools that have general athletic/activity funding needs. Since 2016, another \$8,500 has been distributed to support schools and students involved in various athletics/activities. The NMAA Foundation Board has now set policies in place that will continue this school support program on an annual basis.

SCHOLARSHIPS

Since 2007, over 200 students at over 90 NMAA member schools have been awarded scholarships to attend the college or university of their choice. One of the missions of the NMAA Foundation is to support graduating seniors - who have excelled in athletics, activities, academics and sportsmanship - in furthering their academic endeavors.

We encourage everyone to participate in our annual fundraising events or to donate to the NMAA Foundation as these funds will help with future scholarships and school grants/support.
