

Event Organizers Middle/Junior High School

Member schools and non-member schools may not compete against each other in a competition. Non-member schools must abide by all NMAA sanction competition rules. If rules are not followed, teams will be disqualified from the event and not allowed to compete in any future events.

Solos, elementary and non-member middle/junior high schools perform after member middle/junior high schools compete. This will apply to both cheer and dance.

NMAA judges may be used to judge non-member middle/junior high schools, elementary or solo for extra pay. This agreement must take place before the competition begins. The agreement will be between the event organizers and judges, and not the NMAA.

All middle/junior high school member schools are to follow USA Cheer and Dance Safety and NMAA rules without exceptions. All middle/junior high school rules are posted on the website. If these rules are not followed contact Vanessa Whitaker.

NO restrictions on participation numbers for member middle/junior high schools.

Use a member school middle/junior high school tech sheet.

Member middle/junior high schools are allowed to perform Cheer with Music and/or Game Day. Dance may perform Hip Hop, Military , Jazz or Pom.

Member middle/junior high schools when performing Game Day must follow Game Day high school rules.
