The New Mexico Activities Association reminds you to Compete with Class! Our core values of respect, integrity and responsibility are key components of good sportsmanship. Do your part, stay in your lane and follow COVID safe practices.

Attention fans, please remember that face coverings are required for all attendees. Individuals must also practice social distancing throughout the event. It is also recommended that you wash your hands or use sanitizer often. Enjoy today's competition and remember to Compete with Class. We are all in this together New Mexico!

All across New Mexico, we've taken steps together to slow the spread of COVID-19. WE MUST CONTINUE to take personal responsibility to protect ourselves and our loved ones. In order to continue these efforts to support our schools and extracurricular activities, everyone should:

- FOLLOW state and local guidelines,
- WEAR face coverings.
- WASH our hands frequently, and
- PRACTICE social distancing

The New Mexico Activities Association would like to thank you for doing your part! Following COVID safe practices not only ensures safe participation in sanctioned events, but it will also help our county and all of New Mexico reach and maintain turquoise status.
