### **LTC 501 Athletic Administration: GUIDING FOUNDATIONS AND PHILOSOPHIES**

*Sunday, September 30th, 10:00 to 2:00pm, Presented by Bruce Carver*

This course of Leadership Training serves as an overview for interscholastic athletic administration. This course introduces the philosophy of educational athletics then focuses on the roles of the NIAAA, the NFHS, the State Athletic/Activity Associations, and the State Athletic Administrator's Associations. The course also previews the NIAAA Leadership Training and Certification Programs. It is a prerequisite for all four levels of certification and includes study materials for the CAA Certification.

Required for: RAA, RMSAA, CAA and CMAA Certification AND LTI instructor

### **LTC 508 Athletic Administration: LEGAL ISSUES III (HAZING, CONSTITUTIONAL LAW, DISABILITIES LAW, & EMPLOYMENT & LABOR LAW)**

*Sunday, September 30th, 10:00 to 2:00pm, Presented by Ann Stewart*

This course provides in-depth coverage of the legal standards governing hazing in interscholastic athletics programs and strategies for developing, implementing, and documenting an effective anti-hazing policy, along with extensive coverage of the constitutional rights of student-athletes that must be respected by schools when sanctioning athletes for misconduct, the impact of federal disabilities legislation on school sports programs, and the employment and labor law issues related to the administration of interscholastic athletics programs, in particular the minimum wage and overtime requirements of the federal Fair Labor Standards Act.

Required for: CMAA Certification

### **LTC 627 Athletic Administration: ADMINISTRATION OF INTERSCHOLASTIC SPORTS STRENGTH & CONDITIONING PROGRAM**

*Sunday, September 30<sup>th</sup>, 2:00pm to 6:00pm, Presented by Scott Evans, CMAA*

This course will examine the role of the athletic director and other school administrators in supporting and developing the interscholastic strength & conditioning program within a school or district. In this regard, topic coverage will include: (1) philosophy of strength & conditioning for ages 12-18; (2) function of strength & conditioning in rehabilitation of injury; (3) roles and responsibilities of coaches and athletic administrators; (4) the interscholastic weight room – specifications and equipment; (5) financial issues and strategies; (6) helping parents, athletes and the general public understand the role strength and conditioning; (7) legal issues and risk management strategies; (8) certification of strength & conditioning personnel; (9) performance enhancing substances in interscholastic strength & conditioning; and (10) contemporary administrative issues and response strategies. Enrollees who will derive greatest benefit: Administrators seeking methods to better support strength & conditioning programs in middle and high school programs. CAA and CMAA Elective Credit

### **LTC 700 Athletic Administration: Administration and Application of Middle School Athletic Programs**

*Monday, October 1<sup>st</sup>, 5:30pm to 9:30pm, Presented by Daren Jones, CAA*

This course provides strategies for the development of middle school athletic programs and concentrates on the role of the middle school coach and coaching principles. Middle level athletics is an essential part of the total educational process and an excellent opportunity for the home, school and community to work together in order to provide a positive educational experience for middle level children.
