Ms. Marquez added that Mr. Dillon Metzgar, former NMAA employee, will be working with DragonFly and thus will still be a resource moving forward.

General Discussion/Information Items

CPR/AED Requirement - Ms. Marquez stated the NMAA is working with the NMPED regarding the state statute that was recently passed which requires CPR/AED for athletic coaches beginning in 2023-2024. The state is trying to see if this will be best as part of coach licensure or as a separate required certification. Feedback included the concerns with implementation due to timing, funding, and adding another requirement for coaches when schools are already struggling to fill these roles.

Classification & Alignment - Ms. Marquez discussed classification and alignment for the 2024-2026 block on the possible use of a “lack of success factor” in the sport of football. Feedback included surveying schools to see if the membership would be in favor of this and looking at how it could impact other sports in the future.

Dropping Games/Tournaments - Ms. Marquez discussed the increased number of games/events and tournaments that schools are dropping, leaving opponents in difficult situations. Feedback included going back to a required paper contract and holding firm on the parameters listed within this agreement.

Middle School Membership - Ms. Marquez discussed the need for the NMAA to better serve its middle schools and asked for ideas as to how to get them more involved. Feedback included holding mandatory virtual meetings to go over NMAA bylaws and basic expectations, introduce staff, and collaborate as a group.

Track & Field: Weekday Meets - Ms. Marquez discussed weekday track meets and the burden this can place on schools/students based on the length of the meet and time that the events may end. She suggested that if these meets take place, limitations on the number of entries and/or teams participating should be considered. Feedback was mostly positive but also included questions about being allowed to start meets earlier and holding JV and varsity meets on different days.

Eligibility: Hardship – Bullying – Ms. Marquez deferred to NMAA Assistant Director, Mr. Scott Owen, regarding recent updates to the definition of an Eligibility Hardship and adjustments to paperwork that now address bullying, hazing, and harassment in more detail. Feedback included the importance of adding these parameters to help with consistency when the hardship committee reviews these cases.

Eligibility: Appeals Process - Ms. Marquez discussed potential changes to the appeal process that would include a new step where the petition would be reviewed by an independent third party. This would be a retired judge that could look at all facts pertaining to the situation and provide a neutral ruling. Feedback included a request to ensure that both the sending and receiving school are a part of this process.

Football: State Playoff Sites - Mr. Young presented possible guidelines to help member schools assess their football facilities when hosting state playoff contests. Feedback included difficulties in determining how these guidelines could be applied across all classifications, concerns with eliminating the ability for certain schools to host due to the lack of resources, and concerns with consistency as to what is “sufficient” when hosting.

Football: Summer Activity - Mr. Young discussed possible updates to summer activity policies for football that would allow schools the opportunity to use pads and utilize full contact for a limited timeframe. Feedback included concerns with liability, equipment reconditioning, and staffing. Mr. Mabrey encouraged the group to be open to this based on recent changes to out-of-season coaching for other sports and a school's ability to opt in or out based on their own policies/beliefs.

Administrative Presence at Athletic Contests - Mr. Henderson asked the group to consider adjustments to the policies requiring an administrator or designee that is not the head coach be present at all athletic contests. He stated that the head coach could easily serve in this capacity for certain events that take place in sports like golf or tennis where crowd control is typically not a major issue.

Action Items

Sportsmanship / Compete with Class - Ms. Marquez presented a proposal to update the Crowd Control Bylaw to include specific penalties for egregious acts of unsportsmanlike conduct. Bylaw 7.7.4 Crowd Control and Unsportsmanlike Conduct shall read as follows: A school is responsible for the conduct of its team, coaches, students, and fans at any interscholastic event in which the school is participating. The basic responsibility for crowd control lies with the host administration who are required to provide an administrator or administrator's designee to be in attendance. It is also recommended that the visiting school provide an administrator or administrator's designee for any potentially contentious contests. In both situations, the administrator and/or administrator's designee cannot be a coach participating in the event. The Executive Director may invoke penalties upon a member school for actions, which violate the principles of "Compete with Class." These actions include, but are not limited to, hindering the normal progress of an event, creating situations that may lead to the restriction or discontinuance of interscholastic competition, or endangering or threatening the personal safety of any individuals involved. Unsportsmanlike conduct by coaches, students, and/or spectators may cause the school or individual to be placed on probation or suspension for 180 school days/365 calendar days (See also 7.6.23).

A. Team/Fan Suspension from Athletic Activities for Unsportsmanlike Conduct

1. Any time an egregious act of unsportsmanlike conduct by a team participant, including a coach, occurs two or more times during the same season, at the same school, in the same activity, the team will be suspended from participation in that activity for the remainder of the season.
2. Any time an egregious act of unsportsmanlike conduct by a non-team participant occurs two or more times during the same season, at the same school, in the same activity, all school spectators will be suspended from attendance in that activity for the remainder of the season.
3. Unsportsmanlike conduct is defined in the NMAA Handbook as non-compliance with sport specific rules and NMAA policies, including behaviors incompatible with "Compete with Class" and the interscholastic educational objective. Examples of egregious unsportsmanlike conduct by participants, coaches, or spectators include but are not limited to, fans entering the playing surface to engage in acts of violence or abuse, constant verbal attacks on officials, attacking other fans, coaches physically or verbally attacking officials, players fighting other players during post game handshakes, or student sections verbally chanting inappropriate or demeaning comments towards individuals, teams, or officials.
4. In the event the second act of misconduct occurs when there are no contests left in the current season, the penalty may be applied to the next season in the same activity. The NMAA will notify the school that the team and/or individual/spectators has been placed on warning after the first offense.

Mr. Allison asked for a motion to approve the proposal as presented. Mr. Tensay made the motion to approve the proposal. Ms. Nougues seconded the motion. A vote was taken and passed unanimously (14-0).

Amateurism / NIL - Ms. Marquez presented a proposal to update Amateurism bylaws to provide clarity on when amateur status is lost and the means in which student-athletes can utilize their name, image and likeness. Bylaw 6.18.3 Loss of Amateurism Status shall read as follows: An amateur athlete forfeits amateur status in a sport by: A. Competing for money or other monetary compensation. B. Receiving any award or prize of monetary value. C. Capitalizing on athletic fame by receiving money or gifts of monetary value in affiliation or connection with activities involving the student's school team or school. 1. This provision is not intended to restrict the right of any student to participate in a commercial endorsement provided there is no school team, school, or NMAA affiliation. 2. The student is prohibited from appearing in the uniform of the student's school and may not utilize the marks, logos, etc. of the school, or NMAA as part of any endorsement. Mr. Allison asked for a motion to approve the proposal as presented. Ms. Stewart made the motion to approve the proposal. Mr. Owens seconded the motion. A vote was taken and passed unanimously (14-0).

Video Taping Policy: Telescopic Poles/Cameras - Ms. Marquez presented a proposal to regulate the use of telescopic camera/video poles during NMAA sanctioned events. Bylaw 7.7.9 Video Recording/Telecasts/Radio Broadcasting Consent Rule/Procedures (D) shall read as follows: Telescopic camera poles shall be banned at

all times and shall only be utilized by approved media or school personnel. Telescopic camera poles shall not be permitted on the players' sideline or inside the spectator seating area. Mr. Allison asked for a motion to approve the proposal as presented. Mr. Tensay made the motion to approve the proposal. Mr. Roybal seconded the motion. A vote was taken and passed unanimously (14-0).

Mr. Allison congratulated Mr. Henderson on his upcoming retirement and thanked him for his service to the NMAA and the kids of New Mexico.

Consider Adjournment

Mr. Allison asked for a motion to adjourn the meeting at 12:19 p.m. Ms. Stewart made a motion to adjourn the meeting. Mr. Owens seconded the motion. A vote was taken and passed unanimously (14-0).

Proposal: Update bylaws to Include marijuana as a restricted product to be marketed or advertised during NMAA sanctioned events.

**Stricken language is removed. Underlined language is added.*

7.7.5 Advertising

Liquor, ~~or~~ tobacco, or marijuana advertising will not be included in any advertising related to an athletic/non-athletic event sponsored or sanctioned by the Association.

Note: While applicable to all school and non-school facilities, at times superseding regulations/policies at the host site of an NMAA event preclude the enforcement of this rule (regular season, playoff, tournament, or state event series).

Rationale: With the legalization of marijuana in New Mexico, it is necessary to include it amongst liquor and tobacco as products which should be restricted from advertising during NMAA sanctioned events.

OFFICIALS FEES: STATE PLAYOFFS

☒ Action Item ☐ Referenda Item
☐ Discussion Item ☒ Non-Referenda Item

Presenters:

Sally Marquez, Executive Director
Zac Stevenson, Commissioner of Officials

Proposal:

To modify the current Officials fees for state playoff level contests/events.

Rationale:

Officials fees for regular season events were increased by \$5 for the current school year. Raising state playoff level contests/events by the same amount resulted in some inconsistencies with certain sports. The NMAA feels that the proposed updates will address this.

NMAA Staff Recommendation:

Approve

WRESTLING: REGIONAL SEEDING & WILDCARD LIMITATIONS

☒ Action Item ☐ Referenda Item
☐ Discussion Item ☒ Non-Referenda Item

Presenter:

Scott Owen, NMAA Assistant Director

Proposal: To be eligible for a regional seed or a state wildcard, wrestlers must have at least 25% of their season's total varsity matches at the weight class entered at the regional tournament.

Rationale:

1. The NMAA currently has protocols that prevent a wrestler from wrestling in the post-season at a weight class "lighter" than one he has for most of the year. This is mostly for safety precautions.
2. However, there are no protocols or limitations for a wrestler choosing to wrestle at a weight class "heavier" than one he has for most of the year.
3. When a wrestler moves up into a weight class they have not competed in, there is limited data against like wrestlers. When there is little to no head-to-head or common opponent criteria to consider, wrestlers can rely on a strong record or returning state place at an incomparable weight class to get seeded.
4. Wrestlers can still move up at the regional tournament and qualify to state, and be seeded at state, but they will have to automatically qualify through the regional tournament without the benefit of a regional seed or wildcard berth.

NMAA Staff Recommendation: Approve

Wrestling Sport Specific Committee: Approve

Attachments: Survey Results, Current Regional Seeding Policy

Q8 Would you be in favor of including a minimum participation threshold for wrestlers moving "up" a weight class at the regional tournament with a restriction on seeding/selection criteria for wrestlers not meeting the minimum threshold? (For clarity, wrestlers would still be able to enter that weight and qualify at that weight, but would be restricted from utilizing certain seeding criteria or earning a wildcard due to lack of matches at the higher weight.)

2024 NMAA REGIONAL WRESTLING TOURNAMENT SEEDING

REGIONAL MEETING

It is recommended that a seeding meeting be conducted under the direction of the Regional Tournament Director prior to the event, either virtually or in person, to verify entries, records, and seeds. Entries/weight classes shall not be changed once rosters are released to all schools the Wednesday of the Regional Tournament. Entry changes made after rosters are released must be approved by the NMAA.

SEEDING PROCESS

- A. Eight individuals are seeded in each weight class in all classifications (Girls, A/4A and 5A).
- B. Trackwrestling software will be used to seed all weight classes.
- C. NMAA Wrestling Seeding Rules are as follows:
 - 1. All wrestlers are compared and considered for a seed.
 - 2. Criteria points are earned against all wrestlers considered for a seed in the following priority order:
 - a. **Head-to-head results (H2H)**
 - b. **Records against common opponents**
 - c. **2023 Returning State Place (1st – 6th)**
 - d. **Best overall percentage record** (Boys – must have wrestled a minimum of thirteen (13) varsity matches this season; record to include all varsity matches in all weights. Girls – must have wrestled a minimum of ten (10) varsity matches this season; record to include all varsity matches in all weights.)
