Title

Players will compete with the newest version of Madden, “Madden NFL 21”

Team Size

3 players per team

Platforms

Madden 21 will be available on PS4.

Requirements

Students will need to have access to both a PS4 and a copy of Madden 21.

Competitive Format

Game Players on each team will be paired with a single opponent. Each pairing will play for a best of 3 series of games.

Match Victory is awarded to the team with the most series wins.

	Team A	Team B
Series 1	Player 1	Player 1
Series 2	Player 2	Player 2
Series 3	Player 3	Player 3

Simultaneous or Consecutive Matches

By default, all 3 matches will start simultaneously, requiring 3 PS4 consoles. Matches will last between 40 minutes and 1 hour if played simultaneously.

If a school has only 1 PS4 console and both coaches agree, matches can be played consecutively. Matches will last between 2 and 3 hours if played consecutively.

Popularity

Madden is one of the most popular video game franchises in North America, with over 130 million copies sold.

Madden is an American football game that features teams and athletes from the NFL. Madden has more competitive gaming broadcasts on ESPN and ESPN2 than any other sport.
