Parking Instructions for School Day Tournaments

Below are the instructions for fan and bus parking during school hours. Please share this document with your coaches, bus drivers, and fans.

- All Fans and Buses enter via Loma Colorado Blvd.
- All Fans and Busses must park in the student parking lot.
- Buses need to follow the **Green Arrows** to the drop-off zone and the bus parking zone.
- We have reserved parking for our seniors. Those spots are painted—no parking in painted parking spots.
- **AREA 1:** This area has handicapped parking and is the bus loading and unloading zone. RRHS asks that buses exit this zone after dropping off athletes and parking in AREA 2. This zone also has reserved parking for athletic staff. Please do not park in reserved spots.
- **Bus Parking Zone:** We ask that buses park in empty spaces on the west side of the student parking lot.
- Parking is not allowed in the Administration Parking lot. This lot is reserved for school-day business only.

Parking in a restricted area or reserved parking spot may result in the vehicle being towed at the owner's expense.
