

# Get in the Game... Stay in the Game!

The New Mexico Officials Association is actively recruiting officials in **baseball, basketball, football, soccer, softball, spirit, swimming and diving, track and field, volleyball and wrestling.** We believe that every community has individuals who would be great assets to the student-athletes in New Mexico through service as sports officials. Stay involved with a sport you love and give back to your community! Without officials, there can be no games...

## DID YOU KNOW?

- The number one issue facing many high school associations is the shortage of officials! We need to do everything we can collaboratively to get new officials and to keep the ones we have. If we can keep an official three years, chances are, he/she will make a long term commitment to the avocation.
- Former players in your community would be great interscholastic officials. It gives them an opportunity to stay involved with they sports they love and it helps to ensure that the student-athletes of today and tomorrow have the opportunity to participate!
