

# REGIONAL INDIVIDUAL WRESTLING TOURNAMENT GUIDELINES

## SCHEDULE/ENTRIES

2. **Official entries must be submitted via Trackwrestling (TW) no later than Tuesday the week of the regional tournament (Girls – February 6, 2024, Boys – February 13, 2024).** Entries shall be submitted directly into the tournament via the green envelope next to the event listed in each team's TW season (Boys/Girls) schedule page.

5. Any team failing to submit complete and correct entries with complete and accurate individual records by the deadline will be subject to a \$250 fine.
6. Entries will be considered verified at the conclusion of the weigh-in. Entries failing to make weight will be scratched and ineligible for a wild card. Additionally, any bracket drawn prior to the weigh-in with scratched wrestlers will need to be redrawn.
7. Entries must be in accordance with NWCA OPC MWW/MWC and 50% of season weigh-ins must be at or below the weight entered for the regional tournament. Coaches must be prepared to verify each of their entries' seasonal weigh-in records.

**RE: TRACKWRESTLING INDIVIDUAL RECORDS & REGIONAL/STATE SEEDING**

Regional/State seeding will be conducted via Trackwrestling. This is a reminder you will need to submit regional tournament rosters with complete and accurate varsity individual results for all regional tournament entries. The regional event will be added to your schedules, and you will submit your rosters using the green envelope icon next to the event. It is your responsibility to ensure the weight class, record and matches you submit at the regional tournament are accurate for every entry.

To check your individual records for accuracy:

1. Log into your Boys and/or Girls TW Season
2. Go to [Matches] and select [Print Matches] for each individual wrestler to review their matches
3. **ONLY VARSITY MATCHES SHOULD BE ON THE RECORD YOU SUBMIT INTO THE REGIONAL TOURNAMENT**
4. Make sure all varsity matches are labeled "varsity"
5. Make sure there are no duplicates, omissions or inaccuracies in your varsity individual records
6. Any errors need to be fixed inside your schedules and any individual records updated

To check returning 2023 state placing criteria:

1. Log into your TW account
2. Go to [Roster]
3. Select returning 2023 state placers
4. Click on [Criteria Values]
5. Contact me if wrestlers are missing or have incorrect 2023 state placing

\*NOTE – Make sure you are staying on top of your records. Any teams failing to submit complete and correct regional rosters by the deadline (**Tuesday the week of the Regional Tournament**) or submitting rosters with inaccurate varsity records/results, will be subject to a \$250 fine.

Thank you.

RE: **QUALIFYING AND SEEDING – REGIONAL & STATE WRESTLING**

A few guidelines and expectations applicable to regional and state tournaments. These guidelines are applicable to both male and female competitors.

### **1. Overall Record Guidelines:**

- All varsity level matches in all weight classes are included. DO NOT include sub-varsity matches (Freshman, JV, etc.).
- Matches won by decision, major decision, technical fall, fall, forfeit, disqualification, or default shall be counted as wins.
- Matches where an individual loses by decision, major decision, technical fall, fall, disqualification, or medical default shall be counted as losses.
- **Medical forfeits shall not be counted as a loss.**
- Individual tournament forfeits will not count toward the head-to-head or common opponent seeding criteria.
- Since the actual entry of an athlete in a dual meet does not occur until properly reporting to the scorer's table, an athlete not making weight would not incur a loss for a dual meet.
- If a verified entry in an individual tournament fails to appear or make weight, they would incur two losses in a double elimination tournament. If no stipulated deadline for entries was pre-determined, the deadline shall be the completion of weigh-ins.
- Since non-school events are generally not conducted under NFHS/NMAA guidelines, those individual results would not be included in the overall record (note – these events are subject to event limits under the dual participation rule).

### **2. Documentation:**

- Out-of-state state place winners that can be documented are recognized.
- Detailed individual cumulative records and weigh-in records must be available for submission upon request from the NMAA for the entry/seeding process. Individual records must be maintained via Trackwrestling (see NMAA TW Admin Instructions on NMAA wrestling website – [www.nmact.org/wrestling](http://www.nmact.org/wrestling))

### **3. Ethics and Gamesmanship:**

- The submission of inaccurate records or failing to comply with WWMP policies, including the 50% of weigh-ins rule, would be the equivalent of submitting false times/distances in track and field or swimming.
- Coaches should be working cooperatively in the monitoring of the WWMP, weigh-ins, and documentation so that all records and weigh-ins are in compliance prior to entries for the regional tournament.
- It would be gamesmanship and therefore unethical behavior to knowingly wait to question an opponent's record or weight management program status until it was too late to rectify it. The appropriate thing to do is to bring any suspected issues up with the opponent immediately upon discovery or suspicion.

## 2024 NMAA REGIONAL WRESTLING TOURNAMENT SEEDING

### REGIONAL MEETING

It is recommended that a seeding meeting be conducted under the direction of the Regional Tournament Director prior to the event, either virtually or in person, to verify entries, records, and seeds. Entries/weight classes shall not be changed once rosters are released to all schools the Wednesday of the Regional Tournament. Entry changes made after rosters are released must be approved by the NMAA.

### SEEDING PROCESS

- A. Eight individuals are seeded in each weight class in all classifications (Girls, A/4A and 5A).
- B. Trackwrestling software will be used to seed all weight classes.
- C. NMAA Wrestling Seeding Rules are as follows:
  - 1. All wrestlers are compared and considered for a seed.
  - 2. Criteria points are earned against all wrestlers considered for a seed in the following priority order:
    - a. **Head-to-head results (H2H)**
    - b. **Records against common opponents**
    - c. **2023 Returning State Place (1<sup>st</sup> – 6<sup>th</sup>)**
    - d. **Best overall percentage record** (Boys – must have wrestled a minimum of thirteen (13) varsity matches this season; record to include all varsity matches in all weights. Girls – must have wrestled a minimum of ten (10) varsity matches this season; record to include all varsity matches in all weights.)
  - 3. The wrestler with the most “points” earns the one seed. The wrestler with the second most points earns the two seed, etc.
  - 4. Tie breaking procedures are as follows:
    - a. If two individuals are tied on points they will be compared alone and awarded seeds based on the priority criteria procedure listed above.
    - b. If three or more individuals are tied on points they will be compared alone and awarded seeds first using H2H (must have winning record over all opponents to be considered) followed by returning state place and then best overall percentage record.
    - c. If three or more individuals remain tied, the seeds are determined by a coin toss or draw of lots.

**NOTE:** *Wrestlers must have a minimum of one quarter (1/4) of their regular season varsity matches at the weight entered at regionals to be eligible for either a regional seed or a state wildcard.*
