

## 2018 High Desert Thespian Festival & One-Act Play Competition Keynote Speaker Zachariah Stearn

### Biography

A comedian, actor, singer, musician, and all around entertainer, Zac Stearn has done it all, from performing a sold-out performance for an audience of hundreds to hosting a rock concert.

It all began when Zac organized, promoted, produced, directed and participated in a fundraiser variety show which got state-wide recognition and sold out a 300-seat auditorium. He was 14 years old. From there, Zac became a regular on the 92 Moose Radio Station and decided it was time to take his ideas to a bigger stage.

In 2008 he organized the Live Love Laugh Tour which sold out 5 out of the 7 performances. In 2009, he performed benefits for Locks of Love, Jump Rope For Heart and St. Jude's Children's Hospital.

Over the past few years, Zac's shows have gotten better and bigger. From hosting concerts with headlining bands such as "Prospect Hill," to performing his show to an audience of hundreds, Zac has built a career on his ideas and his imagination.

Zac was a guest artist at New Mexico State University in May, 2018, and inspired the Theatre majors, faculty and staff with his one-man show and his accessibility to the students.

Zac will be opening the festival with a keynote address, presenting workshops "Stand Up For Yourself: an intro to stand up comedy" and "Ask Me Anything: An insider tells you everything you want to know about show biz," as well as hosting a special concert program.
