

INSTRUCTIONS FOR THE EXCLUSION OF FOOTBALL OFFICIALS

The process for excluding officials from officiating at your school has been changed. In the past, you were issued a list of officials from throughout the state and were allowed to place a "3" next to the names of any official you did not wish to have at your school.

The new process is to utilize this form if you wish to exclude an official from officiating a contest for your team/school. Each school is allowed to exclude 5% of the officials in each region of the state. You must provide a narrative statement within the context of one or more of the "Categories for Justification of Exclusion" in order for your exclusions to be considered.

Once this document is received by the NMAA office, a Review Committee will examine the nature of your concerns and will determine whether or not the exclusion has been accepted or denied. You will receive a letter from the NMAA office notifying you of the acceptance/denial of exclusions. Any head coach or Athletic Director wishing to appeal the denial of an exclusion may do so, in writing, within ten (10) days of receipt of a letter of denial.
