The NMAA may require additional documents that are related to this agreement which would necessitate completion prior to participation.

This declaration stands through the aforementioned two year block. Changes may be petitioned in writing to the NMAA Executive Director. See NMAA Bylaws for further guidelines including the distinction between competitive and sideline only/non-competitive squads.

NMAA member spirit squads that declare competitive participation will be held to all NMAA athletic bylaws.

NMAA member schools that declare sideline only/non-competitive spirit participation may not count those participation numbers towards Title IX compliance. Sideline only/non-competitive squads will be held to all NMAA Spirit Bylaws (Rule 8.2).
