

# 2009 Albuquerque Basketball Officials' Camp

Professionalism • Integrity • Humility • Communication

We are fully dedicated to helping any aspiring basketball officials improve their abilities as an official. This is done by utilizing the expertise of an outstanding staff to personally guide and evaluate each camper. This camp is designed to improve the officiating level of each referee through a positive learning environment, which includes personal video taping of games and video review. The ABOA will provide a forum to share information, insights, and opinions in many areas of the game of basketball. We will be instructing in 2 and 3 person mechanics. Invited instructors will be current staff members of numerous Division I and Division II Conferences and current experienced high school officials.
