NMAA To Host Club/ Interscholastic Town Hall Meeting

ALBUQUERQUE, N.M. – The New Mexico Activities Association will host a town hall meeting at the NMAA on April 23 (6:00-8:00 PM) to discuss the role and relationship of club and interscholastic athletics and the rules and regulations that govern them (i.e. out of season coaching, summer participation, dual participation, etc).

The NMAA would like to hear opinions and feedback from school administrators, parents, coaches, and players regarding club and high school sports.

Another town hall meeting will be held in the Las Cruces area in late May; a date and location have yet to be finalized.

NMAA Executive Director, Gary Tripp, said “The NMAA really wants to get a good idea of the public’s perception of the role of club and high school sports and how the two entities can operate together for the benefit of all students in New Mexico.”
