**NMAA To Host
State High School Bowling Tournament**

ALBUQUERQUE, NM- The New Mexico Activities Association implemented bowling as one of its sanctioned activities during the 2005-2006 school year and will host the second State High School Bowling Championships on Saturday on February 24th. The tournament will be held at the Starlight Lanes in Bernalillo beginning at 9:00 am. An awards ceremony will follow the competition at approximately 4:30 pm.

Over twenty New Mexico high schools and nearly 200 participants will compete in two divisions (small and large school). Teams will consist of 5 bowlers and any gender combination can be utilized for the competition.

The NMAA is expecting more than 350 spectators to attend the one day event.

Rio Rancho High School claimed the 2006 title on May 20, 2006.

Bowling Championships
