

Make the Call... Make a Difference!

The New Mexico Officials Association is actively recruiting officials in **baseball, basketball, football, soccer, swimming, track and field, volleyball and wrestling**. We believe that every community has individuals who would be great assets to the student-athletes in New Mexico through service as sports officials. Maybe **YOU** can be one of our difference makers. Remember...Without officials, there can be no games!

DID YOU KNOW?

- The number one issue facing many high school associations is the shortage of officials! We need to do everything we can collaboratively to get new officials and to keep the ones we have. By consistently teaching, enforcing, advocating and modeling the tenets of Pursuing Victory With Honor, you and your school can help to ease this crisis!
- Former players in your community would be great interscholastic officials. It gives them an opportunity to stay involved with the sports they love and it helps to ensure that the student-athletes of today and tomorrow have the opportunity to participate!
- Officials can sign up to be sub-varsity officials beginning at the age 15.
