

NMAA Online Rules Clinics

Rules Clinics will once again be hosted online for all sports during the 2010-2011 school year. The online clinics are required for all **head coaches** and are easy to access and complete. In order to properly receive credit for attending an online clinic, all head coaches **MUST** have a valid MVP account and an approved role in the MVP system.

Each sports page on the NMAA website contains a district rules clinic area which will become active during a specific time period:

- Fall Sports (August 1-31)
- Winter Sports (November 1-30)
- Spring Sports (February 1-28)

Once the head coach completes the clinic, he/she will be given the opportunity to “Get Credit For Attending”. Upon completion of this portion of the clinic, the name of the head coach and their school will appear on the “Credit For Attending” page.

Failure to complete the online clinic by the deadline will result in a \$100.00 fine.

Questions regarding the Online Rules Clinics should be directed to Bill Cleland, NMAA Assistant Director, at (505) 923-3271 or bcleland@nmact.org.
