

SECTION XIV APPENDICES

14.1 DEFINITIONS

The following terms used in this handbook are defined or otherwise referenced for consistency:

ACTIVITIES - General term which applies to any athletic or non-athletic interscholastic program. Encompasses academic competition, sports, music, vocational contests and other events.

ACTIVITIES COUNCIL - The representative body of the Association's member non-athletic organizations which oversees and makes recommendations to the NMAA Commission on issues related to activities.

AD HOC - A term referring to a temporary committee which is formed to address a specific issue/problem/purpose.

ADMINISTRATIVE HEAD - The principal of a school or, in the absence of an identified principal, the superintendent, head teacher, director or chief administrator.

ADMINISTRATOR - A person reported to the State Education Agency as an administrator.

ADVISOR - The administrative head of an organization or the sponsor or head of a local education unit (school), club, organization or other non-athletic activity. The requirements for advisors/sponsors/mentors in terms of being contracted with the school (paid or unpaid) as well as meeting the obligations of all NMAA rules are identical to the athletic coach referred to later in this document. (see "COACH")

AFFILIATE MEMBER - Members who are not accredited by the State Education Agency but may join the NMAA and participate in everything except post-season play in some athletic and/or non-athletic activities.

AFFILIATED PROFESSIONAL ORGANIZATIONS - Associations involved with interscholastic education (including sports officials, coaches, athletic administrators and athletic trainers) which are connected with the NMAA.

AGENTS - Adult persons acting on behalf of a school, including employees (certified and non-certified), bus drivers, attorneys, volunteers, board members, booster club members and fans.

ALL-STAR/ALL-STATE - The selection of players to an honors team. North-South All-Stars are selected by coaches for the NMHSCA summer games. All-State teams are usually identified by the media. The NMAA does not administer or recognize the selection of All-Star/State teams at any of its events.

ALIGNMENT - The method by which schools are arranged into districts for competitive purposes.

ALTERNATIVE SCHOOL - A public funded non-traditional secondary school established to address the needs of students who have difficulty adjusting to the comprehensive/traditional school setting or those that have a special academic need.

AMATEUR - An individual who participates in a sports activity without payment, fee or reimbursement in any form from the sport(s). (See 6.15)

AMERICANS WITH DISABILITIES ACT (A.D.A.) - The Federal law identifying and governing persons with certain disabilities.

ANNUAL MEETING OF SCHOOLS - The gathering of member school representatives and official voters, usually held in October, wherein the Association conducts required business and related discussion (See 2.5).

APPEAL - A request to have a case, issue or decision heard again before a higher authority.

ARTICLES OF INCORPORATION - The basic organizational document for the NMAA, as a non-profit corporation, as filed with the State Corporation Commission.

ASSESSMENT - Financial obligation of NMAA members levied by the Board of Directors for specifically identified purposes (i.e. extra game assessment, legislative/legal assessment, non-athletic assessment, etc.).

ATHLETIC CLASS - During the school year, but outside a particular sport season (off-season), a member school may allow participation in that particular sport during an “athletic” period. The participation may not last longer than the allotted class time. For schools not having an “athletic” period, one hour may be used each school day for sports participation. Interschool competition/scrimmages are prohibited during the off-season.

ATTENDANCE AREA - The boundaries of a school district when only one public high school is contained therein, or the boundaries of a school attendance zone/area as established by the local board when more than one public school is in the district.

ATTENDANCE, REQUIRED ON THE DAY OF PARTICIPATION - There is no NMAA regulation which requires a student to have attended school the day of an activity in order to be eligible to participate on that day (or the subsequent day if it is a Saturday). Any rules in this regard are left to the local school/district to establish.

BASKETBALL GAME - For the purpose of determining the number of games played by a player, such player is considered to have played one basketball game when he/she competes interscholastically in any part of a game, or in five or less quarters on any given day or night in multiple level competition such as freshmen/J.V., sophomore/J.V., J.V./varsity, etc. (five quarters of play against a given school is the maximum allowed per day).

BEGINNING OF SCHOOL REPORTING INFORMATION/ON-LINE FORMS - A series of on-line forms and/or reports where schools provide required information to the NMAA. This information and accompanying membership dues/service fees are to be submitted to the NMAA by September 15 of the current year to be eligible for participation. This information must be submitted through the on-line process, and a list of the requirements/processes is made available to member schools in the Back to School packet distributed to each member school prior to the start of each school year.

BEGINNING OF SEASON - The legal starting date for a sport season.

BLOCK SCHEDULE - Non-traditional class schedule, normally consisting of a four-period day. In a basic 4x4 semester schedule, students take four courses each semester for about 90 minutes a day. Schools must notify the NMAA if operating on this schedule. Students must pass three classes and not fail more than one course to retain eligibility.

BOARD OF DIRECTORS - The thirteen-member body which develops policy for the NMAA. (See Section 2.2.1)

BONA FIDE (full time) STUDENT - A student enrolled in a minimum of four classes (three classes if on a block schedule) and in regular attendance at an NMAA member school and who satisfies all eligibility requirements established through the NMAA (Sec Section VI).

BONA FIDE PARENTS - The legally determined mother and/or father of said child or student or the person holding the highest level of legal custody (adoption).

BONA FIDE RESIDENCE – Residence or domicile where a student participant resides which must be where the other children in the family are living and where the mother and father reside (absent a divorce or single family circumstance). See other criteria used to determine the one residence allowed under Section VI. There can be only one *bona fide* residence for eligibility purposes and such residence must meet the standards identified in the referenced section of the Handbook to the satisfaction of the Director.

CALENDAR OF NUMBERED WEEKS - The master NMAA calendar which identifies each week in a year by a number in order to maintain schedules. Week #1 always contains July 1 (See 3.4).

CAMP - See “Summer Camp.”

CERTIFICATION/LICENSURE - The process by which coaches are licensed by the State Education Agency. All head coaches, assistant coaches and volunteer coaches must be licensed.

CHAMPIONSHIPS - Term usually applied to state level events, wherein state trophies/awards are determined. Rules for conduct of the events may vary from the regular season.

CHARTER SCHOOL - A Charter school is a public school developed by one or more parents, teachers or community members authorized by the local school board or the Public Education Commission to provide an alternative educational setting to parents and students in the public school system. Charter schools provide an opportunity to create new, innovative and more flexible ways of educating children. A charter school can either be a start-up (new school) or a conversion school (from an existing public school).

CLASS/CLASSIFICATION - A unit of division of NMAA member schools as determined by the Board and based on the number of students in grades 9-12. In some sports, classes are combined for post-season competition and state championships.

CLASS LEVEL - Student’s grade level in the final four years of high school, as determined by semesters of attendance (not credits earned).

Semesters 1 & 2 - Freshman

Semesters 5 & 6 - Junior

Semesters 3 & 4 - Sophomore

Semesters 7 & 8 - Senior

CLASSIFICATION CATEGORIES – There are four primary multiple classifications (5 classes), multiple classifications (4 classes), modified merged (3 classes) and the merged class (two or fewer classes combined).

CLINIC - A clinic is a one or two day learning situation held prior to or during the season of a particular sport.

CLUSTER - A natural grouping of activity organizations for the purpose of forming a unit which has representation on the Activities Council.

COACH - A paid or volunteer individual working with a school team, organization, or activity under a written agreement and supervision of a member school. This person must be under contract of the local school and satisfy all NMAA requirements associated with that person’s role. All coaches/sponsors/advisors/mentors must be licensed.

COACHING - Giving instruction to players or prospective players, either directly or indirectly.

COACHING OUT-OF-SEASON DURING THE SCHOOL YEAR - No coaching is permitted out of the regular high school season during the school year. Golf, swimming and tennis allow year-round practice. (See 7.4)

CO-CURRICULAR - An activity that is an extension of the classroom instruction which requires no more than five (5) hours per week or twenty (20) hours per month.

COMMISSION - The body which reports to the Board of Directors through the Executive Director. Consists of 15 members, including eight elected public school administrators, an elected representative from the non-public member schools, as well as appointed representatives from the New Mexico School Board Association, New Mexico Athletic Directors Association, New Mexico High School Coaches Association, New Mexico Officials Association, New Mexico Association of Secondary School Principals, and a representative from the Activities Council (See 3.1.1).

COMPLAINT - Expressing written or verbal disagreement with policies and/or procedures of the Association.

COMPETITIVE SEASON - The time period during which interscholastic participation in a particular sport may be scheduled. There is often a date practice may begin, followed by a time frame in which contests may be played.

COMMON GAME - For comparison purposes, a game with a common opponent.

CONCURRENT PARTICIPATION – Participation in more than one sport or activity sanctioned by the NMAA during the same defined season or period of time. This includes, but is not restricted to the same sport/same season (NMAA sanctioned or non-sanctioned activity), to different sports, to different non-athletic activities, or the same non-athletic activity.

CONTEST - A competition in which member schools participate in athletics or activities with the aim of determining a winner or rating. For example: game, meet, tournament, match, playoff, festival, etc.

CONTRACT - In reference to sports contests, the required written agreement between schools stating the conditions under which they are to play (date, time, site, etc.); also includes a minimum forfeiture fee. In terms of officials, the agreement (also required) under which an NMOA official will work a scheduled contest.

COUNCIL ON STANDARDS FOR INTERNATIONAL EDUCATIONAL TRAVEL (CSIET) - A non-profit organization committed to quality international educational travel and exchange for youth at the high school level. The CSIET “Advisory List” of approved programs is utilized by the NMAA when acting on petitions for International/Foreign Exchange student participation.

CSIET See Council on Standards for International Educational Travel above.

CUMULATIVE PROVISION - A method of calculating a student’s GPA for eligibility purposes using semester grades and including the first semester of the ninth grade. (See 6.2.1 B)

DAY STUDENT - A student attending a private, parochial or boarding school and living with his/her parent(s).

DAYS AWAY FROM SCHOOL - The class attendance missed due to participation in interscholastic educational activities. While there is no NMAA restriction in this regard, State Statute 22-12-21 (derived from Senate Bill 106, in 1986) limits days missed for these activity purposes to 15 per semester

“DE NOVO” - The Latin term referring to the conduct of a hearing in which the testimony is re-heard. New testimony may not be presented which was not a factor in the original decision.

DISTRICT - The smallest sub-grouping of schools within a class, usually geographical, for competitive purposes.

DISTRICT CLINIC - Sport-specific rules and Association update meetings sponsored by the NMAA, held annually at the New Mexico Coaches Clinic and/or posted online at www.nmact.org. It is required that the head coach from each sport/gender in the Junior and Senior High annually attend a district clinic.

DUAL PARTICIPATION – Students who participate in an NMAA interscholastic sanctioned sport during the same season and concurrently participate in the same sport outside the school but during the defined NMAA season. (i.e., volleyball/volleyball, basketball/basketball etc.)

DUES/SERVICE FEES - Membership payments based on enrollment as set annually by the Board.

EJECTION - The action taken by an official to remove a participant/coach from an interscholastic event as a result of behavior or non-compliance with a rule. An ejection may also apply to the removal of a fan by an agent of the school.

ELIGIBILITY - The determination that a student meets the requirements (participation is a privilege and not a right) as outlined in Section VI.

ELIGIBILITY LIST - A required list of sport-specific eligible students must be submitted on line through the NMAA Information On-Line Reporting System prior to the first competition (for each sport), certifying each of the students meet all eligibility standards as defined in the Handbook. Additional names may be added at any time they become eligible during the season.

ENROLLMENT - A student is considered enrolled when he/she attends part or all of one or more class periods at any time during the semester in any school.

ETHICS, CODE OF - The general standards under which personnel affiliated with the NMAA are expected to act in performing their roles related to the NMAA philosophy. (See Section 1.6.)

EQUIPMENT, PROHIBITED - Any item associated with a sport which by rule is not allowed to be used out of season (i.e. football pads, helmets). In season, the National Federation rules prohibit certain types of sport specific equipment such as the use of certain baseball/softball bats.

EXECUTIVE DIRECTOR (NMAA) - The administrative head of the Association, appointed by the Board of Directors, responsible for the overall management of the organization, its events and all other subsidiaries thereof, among other responsibilities. (See 2.2.2).

EXHIBITION GAME - A game used only to display, present or demonstrate to the public.

EXTENDED TRIP - Any site over 300 land miles from the nearest border of New Mexico.

EXTRA-CURRICULAR - Activities outside the regular curriculum which require practice, performances and competition.

FEEDER SCHOOL - A school, either an elementary or junior high/middle school, which promotes its students upon completion of the academic program to a specific member senior high school based on attendance areas. Geographical boundaries are the primary determination for the feeder schools as they integrate to the high school attendance area.

FINES - Financial penalties resulting from missed deadlines for submission of reports and or schedules, failure to attend required meetings, and non-compliance with other handbook provisions as applicable.

FOOTBALL GAME - For the purpose of determining the number of games played by an individual, a player is considered to have played a football game when he/she competes interscholastically forty-eight minutes or less in a consecutive five-day period. Such participation is considered one game. (Forty-eight minutes equals one regulation high school game and is the maximum.)

FOREIGN/INTERNATIONAL EXCHANGE STUDENT - An individual from outside the USA who, if enrolled in a member school and listed as approved by the C.S.I.E.T., may compete interscholastically for a maximum of one school year if successfully petitioned to the NMAA (See 6.5.6).

FOREIGN STUDENT - An individual from outside the USA who enrolls in a member school without establishing bona fide residence with his/her parents. (See 6.5.6)

FORFEIT - The procedure in which a school is assigned an automatic loss in an event(s) due to their use of an ineligible player(s) or failure to appear or complete play as provided in the contract or agreement to compete.

GAME - It is considered a game if two or more schools, individuals or other entities (includes but is not restricted to club teams, recreational, parochial, private groupings or teams, camp or clinic teams or groupings, or any other school or non-school entity) meet on a common field or court and if any of the following elements are present: time kept, admission charged, score kept or officials used. The term "game" is synonymous with the terms "meet", "contest" or "match." (Also see "Scrimmage")

GAME LIMITATION - All NMAA sports have established maximums for the number of competitions which may be scheduled/played. The limits apply to both teams and individuals, exclusive of varsity post season play. For example, a varsity basketball team may play a maximum of 26 games during the regular season. An athlete may play in a maximum of 26 games total, including any same sport non-sanctioned games/events.

GOOD STANDING (Student) – The Student left the previous school scholastically eligible to participate under NMAA guidelines, had a clean discipline record, acceptable attendance record, and no fines, fees and/or outstanding debts owed to the school.

GOOD STANDING (Official) - The determination that an NMOA registered official has not committed any action or other procedural error/failure which would make it inappropriate to call/work a contest in accordance with criteria established by the Executive Director. Applies to regular and post-season contests.

GRADE POINT AVERAGE - Based on 4.0 scale, total grade points divided by classes completed (A=4, B=3, C=2, D=1, F=0). Honor courses may be weighted on a different scale.

GRADING PERIOD - A period of either six (6) or nine (9) weeks, whichever is applicable for an individual school district. The grading period ends the day before the next grading period starts.

GROUP LEADER - Individuals who coordinate the meetings/reporting of officials' attendance information in a particular community (group).

HALL OF FAME (NMAA) - The featured Hall of Pride and Honor display which includes the plaques honoring over fifty distinguished inductees of the NMAA's Hall of Fame awarded on the basis of their service to the Association. The Hall of Fame is an honored NMAA award presented at the State Basketball Tournament.

HALL OF PRIDE AND HONOR - A special facility open to the public within the NMAA headquarters building (6600 Palomas Ave., NE, Albuquerque) which houses a nationally unique repository of interscholastic memorabilia, the "Parade of Schools" and "Halls of Fame" of various NMAA organizations, as well as other displays.

HANDICAP/DISABILITY - A physical or mental condition that makes a task more difficult.

HOME SCHOOL - A residentially confined educational operation by a parent, guardian or other person having custody of a school age person who instructs a home study program that provides a basic academic educational program. (See Section X)

INDEPENDENT COMPETITION (status/competition) - A school may declare to the NMAA its intent not to compete for post-season honors identified as "independent" in that or those particular sports. A Student must represent his/her school as there is no "independent" or "unattached" status for individuals.

INDEPENDENT STATUS - A school competing against other schools but not for the championship in that sport. Not eligible for post-season play.

INDEPENDENT STUDY ("IN PROGRESS") – A course of study or class that may or may not be outside a school's regular curriculum yet satisfies the local requirements for graduation as an offering. This may be an accelerated class or an offering that is not necessarily identified in a school's bulletin which identifies course selections. Independent study classes must be approved locally as graduation credits, by policy, and all reporting periods (6 or 9 weeks) as well as semester grades are required as a matter of procedure to satisfy NMAA eligibility requirements.

INDIVIDUAL SPORT - Any sport that utilizes one competitor in an event, with the results of that competition contributing to the team's total points, (i.e. cross-country, golf, swimming & diving, tennis, track and field and wrestling).

INELIGIBILITY, PERIOD OF - A length of time during which a student may not participate in interscholastic activities due to insufficient scholastic achievement or as a result of transfer regulations or other NMAA eligibility/sanctioning requirements. (See Section VI)

INTERMEDIATE BASKETBALL - A ball measuring 28 1/2 inches in circumference, weighing 18-20 ounces (NCAA women's size ball). Used in NMAA interscholastic girls basketball play.

INTERPRETATION - An informal response, either written or verbal to a question from the "field," given by one of the NMAA Directors.

INTERSCHOLASTIC ACTIVITIES - Athletic/non-athletic/academic activities in which Junior High/Middle School or Senior High school students compete on a school vs. school basis. Performance activities such as band, speech, drama, etc. may be viewed as competitive arenas both internally (ratings by individual schools) and externally (comparisons of individual or school ratings with a view toward determining an ultimate winner).

INTRAMURAL - Competition involving participants from a single school.

INVESTIGATION - An inquiry into a situation observed or reported to the Association, for the purpose of determining the validity of the claim and/or for assigning the appropriate sanction or penalty.

JUNIOR HIGH/MIDDLE SCHOOL COMMITTEE - A standing body of the NMAA which oversees and recommends changes regarding the rules and regulations of activities/athletics of the Junior High /Middle School division. The committee meets twice a year.

JUNIOR HIGH/MIDDLE SCHOOL TEAM - A team composed of students from the grades 7-8 or 7-8-9. 6th grade Students may participate on the Junior High/Middle School Team as long as the local district allows participation.

MASTER CALENDAR OF REPORTS - A calendar showing the due dates for standard reports to the Association.

MATCH – Any event held between two schools in selected sports such as golf, tennis, wrestling, etc.

MATCH ASSIGNERS - Individuals who contract with schools to provide the services of assigning officials for selected sports.

MEMBERSHIP - The number of students in grades 9 through 12 (inclusive of special education "C" and "D" students), on the 80th day as reported by the school to the State Education Agency.

MERCY RULE - Procedures whereby games are either shortened or speeded up to compensate for an unbalanced score between the opponents. Used in football (six and eleven man), baseball, soccer and softball.

MIDDLE SCHOOL - A school organized for students between elementary and senior high. Usually encompasses grades six through eight.

MULTIDISCIPLINARY TEAM - A group of individuals assembled to review and decide upon a special education student's Individual Educational Plan. (IEP)

MULTIPLE HIGH SCHOOL DISTRICT - A public school district that includes more than one comprehensive high school and attendance area.

NATIONAL FEDERATION OF STATE HIGH SCHOOL ASSOCIATIONS (NFHS) - All state high school associations, such as the NMAA, belong to the National Federation. This association provides many services, sport rulebooks and other publications. (See 1.5)

NEW MEXICO ACTIVITIES ASSOCIATION (NMAA) - A voluntary, incorporated, not-for-profit organization established to promote and supervise interscholastic athletics/activities within the state.

NEW MEXICO HIGH SCHOOL ATHLETIC DIRECTOR'S ASSOCIATION (NMADA) - This organization is under the umbrella of the NMAA and includes in its membership athletic administrators of Senior and Junior High/Middle Schools.

NEW MEXICO ATHLETIC TRAINERS ASSOCIATION (NMATA) - This organization includes persons employed by various schools in the roles of sports medicine/athletic trainers. This organization assists with the scheduling of trainers for NMAA state championships.

NEW MEXICO HIGH SCHOOL COACHES ASSOCIATION (NMHSCA) - This organization is under the umbrella of the NMAA, but operates with an independent executive secretary, constitution and executive board. Coaches become members by paying dues. A major activity of this association is a summer clinic training session and all star games for graduated seniors in selected sports.

NEW MEXICO OFFICIALS ASSOCIATION (NMOA) - The organization is under the umbrella of the NMAA and includes registered sports officials who work NMAA events. It is housed at the NMAA headquarters and operates under its own constitution and bylaws. (See Section XI)

NEW MEXICO SCHOOL BOARDS ASSOCIATION (NMSBA) - This organization includes the Boards of Education of the public school districts of the state.

NEW MEXICO STATUTES ANNOTATED (NMSA) - The codification of state law which is periodically accomplished by the Legislature.

NEW MEXICO SUPERINTENDENT'S ASSOCIATION (NMSA) - The organization of 89 local public school district administrative heads (superintendents).

NEW SCHOOL - Any school that did not play in a given classification/conference/district the prior year.

NON-MEMBER SCHOOL PARTICIPANTS – Students attending a non-member school, such as but not limited to an alternative, charter, magnet or home school. (See Section X)

NON-PUBLIC SCHOOL - Any State Education Agency accredited BIA/Tribal, boarding, private or parochial school.

NON-VARSITY TEAMS (INDIVIDUAL) – School teams which play at levels other than its varsity level, such as, but not restricted (in name) to junior varsity, B or C teams, etc. and who cannot compete in post season play as per NMAA policy.

OFFICIAL - Refers to game, contest, event, activity, etc. personnel (paid or volunteer) which may include but is not confined to referee, umpire, judge, monitor, scorekeeper, clock operator, inspector, among other designators that may be applicable to a particular sport or activity.

OFFICIAL SCOREBOOK - The document in which the official record of a contest is kept, such as is used in basketball, baseball, soccer, softball, track and field, volleyball, and wrestling. The home team or event management is responsible for providing a qualified scorekeeper (adult in varsity contests), who then is considered part of the officiating team for the event.

OFFICIAL VOTER - An official representative of a school, designated by the local Board of Education or governing body, to vote on matters pertaining to the official business of the Association and to represent the school at meetings of the Association (see 2.1.5).

OPEN ENROLLMENT CHOICE - The choice of schools available to students when more than one school system (public, private, parochial) is located within the public school district in which the student and his/her parents

reside or a student wishes to attend a school outside the attendance area. This choice is made on the first day of the first semester of the ninth grade, and attendance at any school in one class period for any length of time constitutes making this choice. If an athlete participates during his eighth grade year at the high school level, then that is his/her open enrollment choice. (See Section VI)

OPEN MEETINGS ACT - The term referring to any state statutes which regulate the manner in which public bodies advertise and conduct their meetings. (NMSA, 1978, 10-15-1 through 4).

OUT OF SEASON - Taking place prior to or after the legally stated season.

PARTICIPANT - A student who represents his/her school for any period of time. A participant is any Student who has an official role with an athletic program, including, but not limited to, managers, statisticians, team videographers, etc.

PARTICIPATION – It shall be considered a season of participation in that sport when a student has been enrolled in and practiced at that school for five (5) or more school days. (See 6.10)

PETITION - A procedure to request varsity eligibility for an incoming transfer student.

PHYSICAL FITNESS - The condition of a student who participates in a sport, including cheer and drill. The physical fitness of the participant must be determined both prior to and during the competition by a pre-participation physical examination or to be without identifiable conditions which would preclude such participation (See 6.12).

POOL PLAY - A procedure of abbreviated competition for seeding volleyball teams into the available berths for a tournament bracket. Qualifying teams are divided into pools of an equal number of teams. Pool play matches do not count against match limitations, but a tournament that is conducted with only the pool play format is illegal.

POST SEASON PLAY - NMAA sanctioned playoff events/tournaments/contests which follow the regular season as defined in this Handbook. Post season play continues until the individual, team, school, etc. (whichever is applicable) is eliminated.

PRACTICE - A structured period of time in which a coach or other agent of the school directs the activities of a sports team or part of a team (this does not apply to conditioning sessions). If a Student has not previously been a participant in a particular athletic program, the tryout period is not considered practice. If a Student has been a participant in a particular athletic program the previous year, the start of the “tryout period” is considered practice. The tryout period ends one (1) day prior to the first contest in that sport.

PREFERENTIAL LIST - The listing of NMOA officials in a sport, on which school personnel (coaches, etc.), can indicate a rating (preference) as to whether or not the official will be used in games involving that school.

PREVIOUS SCHOOL – The prior accredited educational institution, regardless of sponsorship/funding (public, private, tribal, independent, parochial, alternative, etc.).

PREVIOUS SEMESTER - The semester preceding the current semester, in which the student was in attendance ten or more school days or participated in one (1) or more interscholastic athletic contests during that semester.

PROBATION - Disciplinary action in which the activities of a school’s players or employees are monitored regarding compliance with Association regulations.

PROTEST - To make an objection to something such as, but not limited to the status of an individual, the conduct of an individual or team, an action committed by a player, school employee, fan or official.

PUBLIC EDUCATION DEPARTMENT – New Mexico State Education Agency. The state agency which has the statutory authority of supervising educational activities in New Mexico.

QUORUM - The number of members of a board, commission, council, committee or assembly that must be present if the business conducted is to be considered legal or binding.

RALLY SCORING - A term used in volleyball where every service except a re-play or re-serve results in a point, regardless of which team is serving. If the serving team wins the rally, it receives a point and continues to serve. If the receiving team wins the rally, it receives a point and the ball for service.

RECREATION LEAGUE - A sports activities program of more than seven (7) days in length when practicing in advance is not allowed and there is little or no emphasis on sport-specific instruction. The emphasis is on playing games.

REFERENDUM - The process by which the membership votes on rule changes to the NMAA Handbooks. A referendum question requires a favor/do not favor response by the official voter in schools which are affected by the issue in question. All ballots must also be signed by the superintendent/headmaster.

REGION - Two districts paired together for competition to determine which teams advance to the state tournament.

REPRIMAND - Disciplinary action in which a player, employee or school is informed of negligence in complying with the regulations of the Association.

RESIDENCE - The “*bona fide*” residence is determined by considering/evaluating the following criteria (partial listing of variables, see 6.3.2):

- Does the Student’s Parent, Legal Guardian, or other person whose residence determines the Student’s residence own a house or condominium or rent a house, apartment, or other living quarters in the school district and attendance zone? Parents must provide documentation to verify the purchase, lease, or rental of a home or living quarters located in the new attendance zone. A lease or rental agreement must be for at least one year in duration.
- Does the Student and Parent or Legal Guardian have their furniture and personal effects in the new district and attendance zone? There shall not be any personal effects or furniture belonging to the family at the previous residence.
- Does the Student and the Parent or Legal Guardian receive their mail (other than business or office mail) in the new district and attendance zone? The family shall submit a change of mailing address to the Post Office.
- Do the siblings of the Student attend schools within that attendance zone?
- Do the Parent(s) or Legal Guardian(s) regularly live in the new district and attendance zone and intend to live there indefinitely?
 - The new residence shall accommodate the entire family.
 - The former residence shall be on the market at a reasonable market price, or sold, or the lease or rental agreement shall be terminated, or the home abandoned.
 - All utilities and telephone services shall be disconnected or no longer in the family’s name.
 - Items used for personal identification purposes should reflect the current/new address.

RESTRICTION - A disciplinary action which enables a school or player to participate in regular season contests, but prohibits participation in play-off or state level contests.

REVENUE - Any funds which are generated for the Association within interscholastic activities, primarily including gate receipts. However other sources of revenue are included, such as membership dues/service fees and corporate sponsorship efforts as well.

ROSTER - A listing of students who are eligible to participate in a given contest(s).

RULING - A formal written response to a question or petition from the field, issued by the NMAA Executive Director.

SCHOOL - An educational institution, regardless of sponsorship/funding (public, private, tribal, independent, parochial, alternative, etc.). "Secondary" refers to schools beyond the elementary level. Schools accredited by the State Education Agency may apply for NMAA membership.

SCRIMMAGE - When two or more schools meet without keeping score, keeping time, charging admission or using paid officials (the officials must work without pay, are beginning or registered officials and are secured locally). A team or individual is allowed one (1) scrimmage day per sport, which must be held prior to the school's first game/match/contest in that sport. The pre-season scrimmage does not count toward game limitations.

SEASON(S) – Seasons are defined as the time which sports are played from the first day of practice to the end of the state tournament, or when a team is eliminated through the NMAA sponsored qualifying series at the varsity level.

SEASON END - A season ends when a team/individual does not qualify for post-season play or is eliminated from post-season play. Post season play refers to play-offs, district, regional and state tournaments (see 7.2).

SEASON END – NON-VARSITY LEVEL – Non-varsity seasons conclude at the end of regular season play, as schools are not permitted to participate in post-season play in any athletic event at the non-varsity level.

SEMESTER (90 days, 180 days/two semesters) - A period of time traditionally encompassing one half of an academic year (90 school days). State law requires a year to last 180 school days or their equivalent.

SEMESTER ENDS - The semester ends at 4 p.m. on the last day of classes of the semester (based on traditional/conventional 90 school day system) as indicated by the school's adopted academic calendar.

SENIOR HIGH TEAM - A team representing a member senior high school and involving students from grades 8-12, maximally.

SINGLE SITE - One location or city; multiple facilities may be used.

SPECIAL EDUCATION - Services offered/provided to students designed to address exceptionalities identified by a diagnosis and prescribed in the Individual Education Plan/Program (IEP).

SPONSORS – (see "COACH")

SPORTS SPECIFIC COMMITTEES - Committees that are established to gain input from the practitioners in the field relative to the conduct of sports (team and individual).

STATE ASSOCIATION ADOPTION - National Federation Sports Rulebooks provide for some variance from their guidelines in some instances. When adopted, the Association, through the Board of Directors exercises its right to use said variance from the rules.

STATE BOARD OF EDUCATION (SBE) - The education board which serves in an advisory capacity to the Public Education Department.

STATE DEPARTMENT OF EDUCATION (SDE) - The state agency which has the statutory authority of supervising educational activities in New Mexico.

STATE EDUCATION AGENCY – Refers to the state agency which has the statutory authority of supervising educational activities in New Mexico (New Mexico State Department of Education/New Mexico Public Education Department).
