NMAA Track & Field Survey

The Track and Field Sports Specific Committee recommended the following items be sent to the member schools for a vote as to get a better idea how the membership feels about these issues. Please make sure both the Coach and Athletic Director sign the form.

Question 1: **3A-5A Vote Only!**

☐ I favor keeping the 800m Run and the 1600m Medley Relay back to back on Saturday of the 3A-5A Championships.

□ I favor amending the championship schedule as to not having the 800m Run and the 1600m Medley Relay be run back to back.

Question 2: **A-AA Vote Only!**

□ I favor keeping the 1600m Relay with a two turn stagger as is presently the case.

□ I favor changing the 1600m Relay in Class A and AA to a three turn stagger as is done in Classes 3A-5A. This would only be mandatory at the State Track and Field Championships and optional at all other meets including district.
This will keep schools from having to re-mark their tracks if 3 Lane Staggers are not presently in place.

Due Date: Monday, September 15, 2008

School: _____

_____Boys/Girls _____

Coach **Athletic Director**

Please email this survey back to Mario Martinez at mmartinez@nmact.org or Robert Zayas at rzayas@nmact.org. You may also fax a copy to the NMAA, attention Mario Martinez at 505-923-3114.
