

NMAA Track and Field Survey

August 11, 2009

The NMAA Track and Field Sports Specific Committee met on Wednesday, July 29, 2009. It was agreed the NMAA would do a survey on a variety of issues to get a true feeling as to how the membership feels in particular areas. Below are 10 questions for each school to respond to. The deadline for this survey is October 16, 2009.

1) Track and Field in New Mexico is in great shape and presently needs no revisions.

_____ Agree

_____ Disagree

2) If answer to #1 is Disagree please list the items that need improvement or revision.

a)

b)

c)

3) Changing the False Start Rule whereas the first false start is charged to the field and the second is charged to the individual.
