*Notates that zero negative reports were received during 2008-2009 and 2009-2010 school years (two years).

**Notates that zero negative reports were received during 2007-2008 through 2009-2010 school years (three years).

***Notates that zero negative reports were received from 2006-2007 through 2009-2010 (four years).

*⁵ Notates that zero negative reports were received from 2005-2006 through 2009-2010 (five years).

Please note that we had 53 schools that did not receive any negative reports during the past school year and 59 schools during the previous year. There were a total of 88 schools with one or fewer negative reports during the 2009-2010 school year, as compared to 89 during the 2008-2009 school year. Congratulations to the schools on this list and keep up the good work!
