

7.13.1 General Rules/Policies

- A. **Classes** – There are six classes in both boys and girls: B, A, AA, AAA, AAAA and AAAAA.
- B. **Practice Dates** – Practice may begin on the following dates:
 - 1. Girls – Monday of Week #19.
 - 2. Boys – Monday of Week #19.
- A. **Game Limitation** – Each varsity team or individual is limited to twenty-six (26) total games prior to the district tournament. Each sub-varsity team or individual is limited to twenty-three (23) total games. This includes regular season and invitational tournament games.
- D. **NMAA District Clinic** – At least one head boys’ team coach and one head girls’ team coach from each declared basketball school must attend the NMAA district clinic at the coaches clinic or online. Failure to comply shall result in a \$100 fine to the school per head coach who does not attend. The fine will be assessed on December 1st.
- E. **Quarters of Play** – A player is considered to have played a game when he/she competes interscholastically in five or less quarters on any day or night against a given school. (Five quarters is the maximum permitted.) This applies to all levels including Junior High/Middle School. If a player enters into his/her sixth quarter of play in a day, a technical foul will be assessed on the coach and the player removed from the game.

Q1: Can an athlete play in more than one game (excess of 5 quarters) in a day?
A1: Yes, as long as the games are against different schools. Example: A player plays in a one day tournament in which he/she plays multiple games. Each game shall count against his/her maximum allowable game limits.

Q2: Is this rule meant to disallow an athlete from playing more than one game in a day?
A2: No, the purpose of the rule is to simply disallow an athlete from playing in more than 5 quarters against the same school in one day. (i.e. JV and Varsity back to back games).

Q3: Can a player play in a JV game at one site and later travel to another site to play another game against another school on the same day?
A3: Yes! However, all games count towards his/her game limitations.

- F. **Mercy Rule** – When a team is ahead at half-time by 35 or more points or becomes 35 or more points ahead in the second half, the clock will stop only for time-outs and for two and three shot free throws. If the point differential becomes less than 35 points, regular timing resumes.
 - Situation 1:** With Team A leading by 34 points in the second half and shooting a 1-and-1, Team A makes the front end of the bonus situation.
Ruling: The clock would start as Team A has gone ahead by 35 points and it is not a two or three shot free throw situation.
 - Situation 2:** With Team B trailing Team A by 35 points in the second half and Team B shooting free throws, Team B makes the first free throw of the bonus situation.
Ruling: The clock would not continue to run because the point differential is less than 35 points.
 - Situation 3:** Team A makes a basket and is now ahead by 35 points in the second half. While making the basket, a Team A player is fouled and will shoot one free throw.
Ruling: The clock would continue to run and Team A would shoot one free throw. The clock will only stop on two and three shot free throws.
 - Situation 4:** Team A is leading by 35 points in the second half and Team B double dribbles.
Ruling: The clock would continue to run because the mercy rule takes effect in the second half.
- G. **Schedule Deadlines/Procedures** – One copy of the schedule for the succeeding school year is to be sent to the NMAA and must be postmarked on or before September 1st. Delinquent schedules are subject to a fine.

- H. **Girls' Basketball Specifications** – The basketball used by all classes for Girls play shall be 28½” in circumference, weighing 18-20 ounces.

7.13.2 Officials

- A. Officials working NMAA sanctioned events must be registered through the Association. Schools are required to use two (2) NMAA/NMOA officials for NMAA regular-season sanctioned contests. Three officials in basketball may be used.
- B. Schools are subject to a fine for using non-registered officials.
- C. An official shall not officiate more than four (4) varsity games for the same school at home during a season.
- D. Officials are selected and assigned through the commissioners' system for regular season games and all playoff/tournament games.
- E. A school may designate up to 5% of the officials in each region of the state as a #3 (“will not use”) on the preferential list which is due in the NMAA office on or before June 1st; however a coach must provide a narrative statement within the context of one or more of the “Categories for Justification of Exclusion” in order for the exclusion to be considered. Once this document is received by the NMAA office, a Review Committee will examine the nature of the concerns and will determine whether or not the exclusion has been accepted or denied. A letter will then be sent from the NMAA office notifying the coach of the acceptance/denial of exclusions.
- F. Any head coach or athletic director may appeal the denial of an exclusion to the Director, in writing, within ten (10) calendar days of date of receipt.

E. **District Tie- Breaking Procedures to Determine Placement**

(to be used by ALL districts within the sport of basketball)

1. A school must play each member of the district an equal number of times to be eligible for the championship.
2. District placement is determined by district play record.
3. If two teams are tied for 1st place there will be an automatic playoff game to determine the #1 and #2 seeds. This game will be played at neutral site as determined by the NMAA Executive Director.
4. In the event that more than two teams are tied for 1st place, placement is determined using the following procedures:
5. The team with the better head to head record in district play between the tied teams will have earned higher placement.

EXAMPLE *Mayfield, Las Cruces High and Onate complete the district season with identical 6-2 records. Head to head, Mayfield is 3-1, Las Cruces High is 3-1 and Onate is 2-2. Las Cruces High and Mayfield will then play to determine the one and two seed.*

If more than two teams are still tied, a point differential of +10 and -10 of the district games between the tied teams will be used to determine placement. The top two teams will then have a playoff game to determine the #1 and #2 seeds.

EXAMPLE *Mayfield, Las Cruces High and Onate complete the district season with identical 6-2 records. Head to head, Mayfield is 2-2, Las Cruces High is 2-2 and Onate is 2-2.*

Mayfield 72 LasCruces 70 Mayfield +2, Las Cruces -2
 Mayfield 90 Onate 78 Mayfield +10, Onate -10
 Las Cruces 84 Mayfield 78 Las Cruces +6, Mayfield -6
 Las Cruces 90 Onate 86 Las Cruces +4, Onate -4
 Onate 60 Mayfield 50 Onate +10, Mayfield -10
 Onate 100 Las Cruces 70 Onate +10, Las Cruces -10

Totals Mayfield +2, +10, -6, -10 = -4,
 Las Cruces High +6, +4, -2, -10 = -2
 Onate +10, +10, -10, -4 = +6

Onate and Las Cruces High advance to a playoff game.

6. If a tie of more than two teams still exists, a point differential of +10 and -10 of all district games will be used to determine placement. The top two teams will then have a playoff game to determine the #1 and #2 seeds.

Note: Same format as D-1 Example 2 using games played against all district teams.

7. If more than two teams are still tied, a coin flip will be used to determine placement. The NMAA Executive Director or designee in conjunction with the tied schools will conduct the flip. Three coins will be tossed with the odd team receiving 3rd place and the remaining two teams having a playoff game to determine the #1 and #2 seeds.

F. Ties for second place or lower

When two or more teams are tied for second place or lower, please adhere to E 1 thru 6 above. A playoff game shall not be included in the process.
