

NMAA Scholarships Presented by the NMAA Foundation

The following NMAA Scholarships are awarded to students from NMAA member schools who, through the application/nomination process, have been chosen for each individual award because they exemplify the dedication, scholastic achievement and sportsmanship ideals promoted by the Association. All scholarships allow for a candidate to apply personally or be nominated for the award. A single selection committee examines each candidate and chooses recipients based on the distribution below.

A total of 19 scholarships are awarded. Outside funding is provided by Farmers Insurance Group, UCA/UDA and Fresquez Concession Inc. The remaining scholarship monies come from funds raised by the NMAA Foundation.

Pursuing Victory With Honor Scholarship - 8 scholarships awarded
