General Information**

FORMAT:

The 2017 Fuddrucker's NMAA State Soccer Championships is a 12 team single elimination tournament. The first round of 12 is scheduled for October 27-28 at home sites of the higher seeded team; with the top four seeds having a bye. The quarterfinals, semifinals and finals will be played on three consecutive days (November 2-4).

COACHES INFORMATION:

Athletes and coaches must have been submitted to the NMAA via the official roster form no later than 5:00 PM on Monday, Oct. 23 to be granted free tournament admission. Each school is limited to 22 roster players. Up to two managers/statisticians will be admitted, and must be present with the team and coach.

At the tournament site players, coaches and managers on busses and individual vehicles should bear to the far right lane after entering through the complex gate. Players should be in uniform. A player out of uniform, or a coach/player not traveling with the team, will be required to show a photo ID that matches the name/photo in the tournament program. It is strongly suggested that all players travel on team busses to the event.

Bag Tags, included in your coach's packet are souvenirs and do not gain entry into the facility.

PACKET PICK UP TIMES:

Wednesday, Nov. 1 (NMAA Only)

Thursday, Nov. 2 (Bernalillo Soccer Complex Team Gate Only)
8:00 AM – 4:00 PM

FIELDS:

The 2017 NMAA State Soccer Championships will be held at the Bernalillo Soccer Complex. The grass-field complex is located just north of NM550 just off NM528.

Teams will be permitted into the complex an hour and a half prior to the first game of the day. Spectator and fan entrance will open one hour prior to the first game. There will be two warm-up fields (Field 2 & 3) available for teams prior to their scheduled games.

PRACTICE:

No teams shall practice at the Bernalillo Soccer Complex prior to the tournament.

BUS PARKING:

In order to provide ample parking for spectators and fans all buses are required to park in the designated bus parking area, located between fields #12 and 13 and 15 and 22 (See map on page 3). Buses/team vans should drop off team members in the "Event Worker/Officials Lot" adjacent to Field #9.

TEAM/COACH ENTRANCE:

Teams that ride a bus and players/coaches arriving in their own cars will enter through the main facility entrance. Bear to the right and proceed to the "Team/Official Entrance Gate. Because of fan parking limitations and logistical challenges with checking individual athletes at the entrance to the soccer complex the NMAA strongly advises schools to provide a bus for all team members throughout the event. Only "soccer" coaches who have registered with the MaxPreps system and are listed on the "Team Roster Form" will be admitted free.

ADMINISTRATOR ENTRANCE:

School Administrators will have to identify themselves accordingly upon arrival at the "Team/Officials Entrance Gate". Please insure that all administrators have some form of school ID. **If you are traveling with a person who must pay admission please enter through one of the left two lanes.**

MISCONDUCT:

All misconduct rules and regulations will be enforced during the entire tournament.

7.17.3 Misconduct Progression Rule

A. Regular Season

1. Yellow cards received during regular season, tournament competition, and state first round must be counted. Once a player has accumulated five yellow cards, they are suspended for the next game. Once the player accumulates three additional yellow cards (totaling eight yellow cards), they are suspended for the next two games and are required to attend a meeting with the school's Athletic Director, head coach and the NMAA Executive Director or his/her designee. Any additional yellow cards received by a player after eight total cards will be subject to more severe penalties by the NMAA Executive Director, including but not limited to suspension from additional contests.
2. Any team whose players and coaches, during the regular season, collectively receive a total of 24 or more yellow cards (including all second yellow/red cards and straight red cards) will be required to attend a meeting with the school's Athletic Director and the NMAA Executive Director or his/her designee.
3. Any school receiving 32 or more yellow cards will be prohibited from participation in post-season. Any yellow/red cards received by the coach will count toward the 32 card total.
4. If a player receives a red card or a second yellow card resulting in disqualification, that individual is suspended for the next scheduled game. These are minimum penalties. All yellow and red cards must be reported to the NMAA.
5. Coaches who are ejected must sit out the next contest minimally in post season as well as regular season play.

B. Post Season

Upon commencement of the quarterfinal round of the post-season, players and coaches receive a “clean slate” for the accumulation of cards. However, any pending sit-out resulting from the accumulation of cards or a direct send-off must be fulfilled in post-season if the requirement for a sit-out has not been satisfied during the regular season. For example, if a player receives a fifth yellow card or is sent off during the final regular season game or first round state game, he/she will be required to sit out the quarterfinal round game of the post-season if the team has advanced, or the first game next season if the team has not qualified for post-season competition.

1. If a player is ejected for “persisting in misconduct after receiving caution” (a “second yellow card” offense) he/she is charged with one caution in that contest. However, the player ejected is not permitted to participate in the following contest.
2. Any yellow cards received during the regular season or first round of state DO NOT carry over into the post-season. NOTE: If an athlete receives the 5th, 7th, 9th, etc. yellow card in the last game of the regular season or first round of the state tournament, the athlete will be required to sit out the quarterfinal round game in post-season play. Athletes who receive a second yellow card in post-season play will be required to sit out the next game. Also, an athlete who receives a red card must sit out the next game minimally, no matter when it is received.
3. Coaches who are ejected must sit out the next contest minimally in post season.

UNIFORMS:

The higher seeded team is considered the home team and will therefore wear white jerseys and shorts. The lower seed shall wear the darker colored (away) jersey.

NFHS Rules 4 Section 1 Article 1 (a) states: jerseys and socks of opposing teams shall be of contrasting colors and in the event of a similarity of color; the home team shall be responsible for making the necessary change. (b) The home team shall wear white jerseys and white socks, and the visiting team shall wear dark jerseys and dark socks.
