

State Tennis Competition....take alternate routes to the Jerry Cline Center, May 4-7

Construction will shut down the I-40 & Louisiana intersection through the duration of the state championships at the Jerry Cline Center. Schools are advised to access the center by either of the following routes.

From the West on I-40: Exit at San Mateo Blvd. head south to Constitution and turn left (east) on Constitution to the Tennis Center

From the East on I-40: Exit at Wyoming Blvd. Head south to Lomas and turn right (west) on Lomas to Louisiana. Turn right on Louisiana to Constitution.

We will continue to update schools if this changes between now and the tournament event.
