

New Mexico Activities Association 2012 Association Sportsmanship Award Winners

*Presented by the NMAA Foundation
and
Farmers Insurance Group®*

The New Mexico Activities Association has been giving annual sportsmanship awards to students across New Mexico since 2005. Over the years, part of this award has become the Pursuing Victory With Honor Scholarship which helps aid these students financially while attending college. In 2007, the NMAA began a Corporate Partnership with Farmers Insurance Group which now acts as the presenting sponsor of all New Mexico High School State Championship Athletic and Activity Events. Farmers Insurance has also chosen to designate some of their sponsorship funds directly to the NMAA Foundation, which in turn awards these yearly PVWH Scholarships. In 2012, with the gracious help of Farmers Insurance, the NMAA Foundation was able to give out eight scholarships with this funding. Six of these were for \$1,000 and two were for \$2,500. These scholarships were awarded to these students during the 2012 State Basketball Championships.

Please see the following pages to view the complete list of Sportsmanship Award Winners for 2012.

On behalf of this year's scholarship winners, the NMAA would like to thank Farmers Insurance Group for their support of high school athletics and activities in New Mexico.

FARMERS®

2011-2012 Foundation Scholarship Recipients

PVWH
