

Basketball Uniform Clarification:

Uniform Colors – Beginning in 2016-2017 school year, by state association adoption, all visitors' uniforms **MUST BE** the darker color of the school colors or black (the NFHS and the NMAA will permit black visitors' uniforms). For example, if your school colors are red and gold, your away jerseys would have to be red or black. If your school colors are navy blue and silver, your away jerseys would have to be navy blue or black. Please note this rule is for the varsity level only, as we understand that junior varsity/C-team/middle school programs are normally utilizing varsity uniforms from previous years.
