

CENTRAL REGION

STAFF TRAINING

SEPTEMBER

23 - 24

PROUD SUPPORTERS

## Central Region Basketball Officials

I am excited to announce that we will be having a preseason central region basketball officials staff training. This will be 6 hours of "deep dive" training and will consist of film breakdown, communication training, conflict management, team building and a lot of group interaction.

Your local group leadership and the NMOA have agreed, that If you attend the staff training, you will receive district clinic credit for the upcoming season and you will receive ONE meeting credit for every two hours of the training that you attend.
