

8.3.1 Sportsmanship / Compete with Class

“Compete with Class” is a New Mexico sportsmanship program designed to help better understand the true value of interscholastic athletics and activities – to educate and prepare our youth for the future.

The NMAA defines sportsmanship as, “the act of treating others in a respectful manner; taking personal accountability for one’s actions and responding with integrity while engaged in competition” and is rooted in three core values: Respect, Integrity and Responsibility.

Esports players and coaches will be held to these high standards, in addition to the codes of conduct and rules as set by game publishers and the NMAA’s Esports provider.

Violations to any of these policies shall result in sanctions as determined by the NMAA Executive Director. Sanctions may include, but are not limited to, warnings, probation, suspensions, forfeitures, and/or fines.

A. Examples of Unsportsmanlike Actions

1. **Smurf Account:** Slang term used in online video games, wherein a fake account or profile is created by an experienced player to pose as an inexperienced one in order to gain an advantage. All players must use their highest level account when registering with PlayVS and when playing in any NMAA sanctioned Esports match. Potential violations should be reported to the NMAA.
2. **Playing Under Another Student’s Account:** Player A is listed as a starter or substitute for a given match. Another individual then plays the match under this account. This is a form of deception and potential violations should be reported to the NMAA.

8.3.2 Scholastic Eligibility

All Esport Students must adhere to the same scholastic requirements set forth by the NMAA in Sections 6.2 and 8.1.1.

8.3.3 General Rules/Policies

- A. Approved Games** – The NMAA has sole authority to select which games will be offered and can amend this list at any time. No restricted categories, as defined as “ESRB M (Mature)” or above shall be used, marketed, and/or promoted by the NMAA nor its member schools.

**Note – For a complete list of approved games, see Section 8.3.5*

- B. Esports Management Platform** – The NMAA has sole authority to determine the entity that will serve as the official Esports provider/platform for its official championship season and any other sanctioned events.

Q1: *Can schools play on platforms outside of the NMAA’s official Esports provider?*

A1: *Yes, but these matches/events would not be sanctioned and thus not under the NMAA Esports umbrella.*

C. Participation and Fees

1. **School Teams** – Member schools may have one varsity team for each multiplayer game. They may also have an unlimited number of sub-varsity teams that can participate in regular season matches but are not eligible for the state playoffs. One versus one games may have multiple varsity participants from the same school, but a maximum of two will be eligible for the state playoffs.

2. **Declaration Date** – In order to be eligible to participate in the NMAA’s championship season (Spring semester), schools must declare their intentions prior to the start of the regular season on a date agreed upon by the NMAA and its Esports provider.
 3. **Rosters** – School rosters for varsity teams will be dependent on the game and will allow for starters and substitutes. Students can be moved from varsity and sub-varsity teams throughout each season but rosters for varsity matches must be set in accordance with platform provider guidelines.
 4. **Students / Multiple Games** – Although it is strongly encouraged that schools limit each student to participation in one game, a student may participate in multiple games if this helps fill a team due to limited numbers within a school’s program.
 5. **Fees** – The NMAA’s Esports provider may charge fees to schools/students to access the platform utilized for the official season.
- D. NMAA Coach/Sponsor Clinic** – The head coach/sponsor from each Esports school must complete the NMAA Rules Clinic. This will be offered online prior to the start of each championship season. Failure to comply shall result in a \$100 fine to the school.
- E. Classifications** – Classifications will be determined by the NMAA staff based on school participation. This applies to both the overall Esports standings and each individual game title. (i.e. there could be three overall classifications, but only one combined class for a specific game title based on participation numbers).
- F. Official Season** – Although a Fall exhibition season may be offered by the NMAA, the official championship season will take place during the Spring semester.
1. **Start Date** – Practice and scrimmages may begin the Monday of Week #30. The season ends when a school is eliminated from or does not qualify for the postseason.
 2. **Schedule / Matches** – Each school will play a minimum of 10 matches at the Varsity level, beginning in Week #32. One match will be played each week during the regular season (unless reschedules require more than more than to be played during a week). Sub-varsity programs will play a similar scheduled based on participation numbers. The NMAA will work with its Esports provider to create a full schedule prior to the season. Matches will be scheduled at random with priority set for schools to compete within their own classification (if total school participants allow for this).
- The NMAA’s Esports provider will determine the format for each match, based on the game title being played (i.e. single game, three games within each match, five games within each match, etc.).
3. **Reschedules / Forfeits** – Schools will follow the rescheduling and forfeit policies established by the NMAA’s Esports provider. During extraordinary circumstances, the NMAA will work with its Esports provider and impacted schools to determine final rulings.

3. **Determination of Champions by Class** – There will Esports state champions in each classification. The champion will be determined by participation and success in each game title offered by the NMAA. Points will be awarded based on participation, regular season finish, and state tournament finish within each game title. Point distribution will be determined based on the number of participants in each game title/classification and set at the start of each season.
4. **Brackets** – Each game title will have a separate state tournament bracket for all classifications.
