MISSION STATEMENT

The New Mexico Activities Association Foundation is a 501(c)3 non-profit organization that was established in 2007 to support the many students that participate in high school athletic and activity programs across New Mexico. The funds raised by the Foundation are used for student scholarships and school grants/support.

ORGANIZATIONAL VISION

Enhance the opportunities for students to succeed through their participation in interscholastic athletics and activities, which are an integral part of the educational process.
Since 2007, over 200 students at more than 85 NMAA member schools have been awarded scholarships to attend the college or university of their choice. One of the missions of the NMAA Foundation is to support graduating seniors - who have excelled in athletics, activities, academics and sportsmanship - in furthering their academic endeavors. We encourage everyone to participate in our annual fundraising events or to donate to the NMAA Foundation as these funds will help with future scholarships.
