

NMAA FOUNDATION

2019 - 2020 ANNUAL REPORT

MISSION STATEMENT

The New Mexico Activities Association Foundation is a 501(c)3 non-profit organization that was established in 2007 to support the many students that participate in high school athletic and activity programs across New Mexico. The funds raised by the Foundation are used for student scholarships and school grants/support.

ORGANIZATIONAL VISION

Enhance the opportunities for students to succeed through their participation in interscholastic athletics and activities, which are an integral part of the educational process.

SCHOOL GRANTS/SUPPORT

Part of the NMAA Foundation's initial mission was to provide financial assistance to schools that were starting new athletic/activity programs. From 2007- 2012, the organization distributed over \$26,000 to approximately 15 NMAA member schools. This initiative has since been reorganized and support is now not only available for schools that are starting up new programs, but also for schools that have general athletic/activity funding needs. Since 2016, another \$15,000 has been distributed to support schools and students involved in various athletics/activities. The NMAA Foundation Board has now set policies in place that will continue this school support program on an annual basis.

SCHOLARSHIPS

Since 2007, nearly 250 students at over 90 NMAA member schools have been awarded scholarships to attend the college or university of their choice. One of the missions of the NMAA Foundation is to support graduating seniors - who have excelled in athletics, activities, academics and sportsmanship - in furthering their academic endeavors.

We encourage everyone to participate in our annual fundraising events or to donate to the NMAA Foundation as these funds will help with future scholarships and school grants/support.

SUPPORT THE NMAA FOUNDATION'S

TOGETHER WE RISE SCHOLARSHIPS

BENEFITTING NEW MEXICO'S HIGH SCHOOL SENIORS

The NMAA Foundation Board of Directors has allocated an additional \$20,000 towards student scholarships for the 2020-2021 school year. This will come in the form of twenty new \$1,000 scholarships that will be distributed to graduating seniors in an effort to provide even more support to the youth of our state.

This is your opportunity to partner with the NMAA Foundation to provide additional support for New Mexico students during these difficult times. As a donor, you will be able to match a \$500 minimum contribution with the Foundation to provide a scholarship to a graduating senior. In exchange, your name will be attached to the scholarship as the presenting sponsor. This could be an individual or business name that will be promoted alongside the scholarship. As an example, your \$500 donation becomes a \$1,000 named scholarship; or your \$1,000 donation would be matched by the NMAA Foundation to become either one, \$2,000 scholarship or two, \$1,000 scholarships.

Each year, the NMAA Foundation receives between 200 and 300 scholarship applications. On average, 18-20 students are selected from this pool as scholarship recipients. The changes made for 2020-2021 will now ensure that nearly 40 students receive financial support from the NMAA Foundation to pursue their college aspirations.

The application deadline for the "Together We Rise" and all other NMAA Foundation scholarships is April 1, 2021. Recipients will be selected soon thereafter and each student will be honored as the 2021 spring semester comes to an end.

The New Mexico Activities Association Foundation is a 501(c)3 non-profit organization that was established in 2007 to support the many students that participate in high school athletic and activity programs across New Mexico. The Foundation's scholarship program has provided \$320,000 in funding to nearly 250 students at over 90 NMAA member schools.
