*\*I certify that the above lineup is in concert with Compete with Class, and represents my players in order from strongest to weakest.*

1. Players must be listed in order from strongest to weakest.
2. Lineups should be shared with the opposing team at least 30 minutes prior to the start of the match.
3. Once official line-ups have been submitted for a dual, teams shall be required to shift lineups forward, and in the order submitted, to replace any vacancies created due to injury (if matches have begun, and this prevents players/teams from moving up, then the withdrawn player/team defaults that match).
4. After April 15, 2024, players submitted must be listed on the official NMAA roster form and must conform in rank order, or as per NMAA substitution rules, to the official roster.
