Dear School Administrators:

Each year the New Mexico Activities Association depends heavily upon our Corporate Sponsors for benefits to our membership. It is our goal to provide our schools with as many "Deals" throughout New Mexico as possible. We realize that budgets are decreasing and prices are rising, making it more and more difficult to provide quality hotels and meals for your traveling student-athletes and teams.

You may access a current list of NMAA sponsors from our website at <http://www.nmact.org/nmaa-partners/>. We ask that you support these businesses that support your programs and the New Mexico Activities Association. If you have any questions regarding these sponsors or need to get in touch with one of these businesses, feel free to contact me at any time.

Also, you may access a list of NMAA Hotel Sponsors from our website at <http://www.nmact.org/nmaa-hotel-sponsors/>. We believe that the properties we work with can provide the best prices available when traveling. Please remember to use these partner hotels that have chosen to support the NMAA and our member schools.

We appreciate what you do and thank you in advance for supporting those organizations that support the students of New Mexico!

Sincerely,
