

# COMMUNITY USE OF SCHOOL FACILITIES

## Non-scholastic Sport Users Certification

As a condition of permitting non-scholastic youth athletic activity in practice or preparation for an organized athletic game or competition against another team, club or entity to take place on school district property, the superintendent requires the person offering the non-scholastic youth athletic activity to sign this certification that the non-scholastic youth athletic activity will follow the brain injury protocols established pursuant to Section 2 of 22-13-31 NMSA 1978 regarding brain injury protocols, coaches training and information to be provided to parents or guardians and signatures to be received from them.
