COVID HANDBOOK ADDENDUM – ELIGIBILITY: OUT-OF-STATE TRANSFER

☒ Action Item ☐ Referenda Item
☐ Discussion Item ☐ Non-Referenda Item

Presenter:

Sally Marquez, Executive Director

Proposal:

On an emergency and temporary basis for the 2020-2021 school year and due to the coronavirus pandemic, consider adding the following to Number 7 within the NMAA Handbook Addendum for COVID-19:

New Mexico students who transfer and participate in interscholastic athletics at an out-of-state school during the 2020-2021 school year shall not be subject to transfer penalties during the 2021-2022 school year provided those students return to their initial school.

Students who choose to remain out of state and participate in interscholastic athletics during the 2021-2022 school year shall not be provided this exception.

**Note: NMAA bylaw 6.13.1.B shall remain in effect and students who start a season out of state shall not be eligible to return to New Mexico and participate in that same sport during the same school year.*

Rationale:

The rationale for the transfer penalty cannot be upheld when interscholastic sports in New Mexico cannot be guaranteed for the 2020-2021 school year. In normal circumstances, transfer penalties are vital to the fair and just regulation of interscholastic athletics. Transfer penalties help create a level playing field and minimize both undue influence and displacement. However, without a guarantee that interscholastic sports will be offered in New Mexico during the 2020-2021 school year, it would be unduly harsh to hold students accountable for pursuing the opportunity to participate in states where interscholastic sports are offered.

Budget Impact: N/A

- ii. **If the school's next regular grading period is the 3rd quarter, a Student may regain his/her eligibility at the 6 weeks by utilizing a progress report.**
