## 2024 NMAA STATE WRESTLING TOURNAMENT SEEDING

### STATE MEETING

A seeding meeting via web conference call is conducted under the direction and supervision of the NMAA on the Monday preceding the State Tournament. When applicable, district representatives as determined by district (boys) or regional (girls) finish, may assist in the seeding process. Entries shall be considered verified at the conclusion of each classification's seeding meeting.

### SEEDING PROCESS

- A. Eight individuals are seeded in each weight class in all classifications (Girls, A/4A and 5A).
- B. Trackwrestling software will be used to seed all weight classes.
- C. NMAA Wrestling Seeding Rules are as follows:
  1. All wrestlers are compared and considered for a seed.
  2. Criteria points are earned against all wrestlers considered for a seed in the following priority order:
    - a. **Head-to-head results (H2H)**
    - b. **Records against common opponents**
    - c. **2023 Returning State Place (1<sup>st</sup> – 3<sup>rd</sup>)**
    - d. **2024 Regional Place (1<sup>st</sup> – 3<sup>rd</sup>)**
    - e. **2023 Returning State Place (4<sup>th</sup> – 6<sup>th</sup>)**
    - f. **2024 Regional Place (4<sup>th</sup> – 7<sup>th</sup>)**
    - g. **Best overall percentage record** (Boys – must have wrestled a minimum of sixteen (16) varsity matches this season; record to include all varsity matches in all weights. Girls – must have wrestled a minimum of twelve (12) varsity matches this season; record to include all varsity matches in all weights.)
  3. The wrestler with the most “points” earns the one seed. The wrestler with the second most points earns the two seed, etc.
  4. Tie breaking procedures are as follows:
    - a. If two individuals are tied on points, they will be compared alone and awarded seeds based on the priority criteria procedure listed above.
    - b. If three or more individuals are tied on points, they will be compared alone and awarded seeds first using H2H (must have winning record over all opponents to be considered) followed by returning state place, then regional place and then best overall percentage record.
    - c. If three or more individuals remain tied, the seeding committee shall vote on the order of seeds. In case of a tie vote, the seeds are determined by a coin toss or draw of lots.

***NOTE: Wrestlers must have a minimum of one quarter (1/4) of their regular season varsity matches at the weight entered at regionals to be eligible for either a regional seed or a state wildcard.***
