SECTION VIII
ACTIVITIES/ACADEMIC/NON-COMPETITIVE SPIRIT

8.1 ACTIVITIES

8.1.1 Interscholastic Eligibility: Scholastic Requirements (See 6.2.1 of NMAA Handbook)

A. Academic Eligibility

1. A Student shall have a 2.0 grade point average with no F’s, based on a 4.0 grading scale, or its equivalent, for the semester grading period immediately preceding participation. For students not eligible at the semester, the next six or nine week grading period can be used to regain eligibility. Grades earned during a summer session must be placed on a student’s transcript by the school registrar prior to the first day of the Fall semester in order for the course to be utilized for eligibility purposes.

   a. All class work counted for eligibility must be acceptable for graduation.

   b. The GPA is based on a 4.0 scale with an allowance for consideration of honors points.

   c. Cumulative provision

      1. A student who is ineligible at the end of a semester may utilize the cumulative provision.

      2. Only semester grades can be used, and all semester grades starting with the 9th grade year must be utilized. (The cumulative provision cannot be used for 9th or middle school/junior high Students.)

      3. The cumulative provision may not be applied if a Student has more than one “F” in the semester grading period immediately preceding participation.

      4. A student must have passed a minimum of 51% of coursework taken by a full-time student in the semester grading period immediately preceding participation to take advantage of the cumulative provision option.

   d. Stricter guidelines may be imposed by the school/district.

2. A Student must be enrolled in at least 51% of the member school’s regular class schedule in courses that will be counted towards his/her graduation and in regular attendance during the current as well as the previous semester.

3. Pursuant to New Mexico State Statute 22-12-2.1, the Local School District is required to enforce that students shall not be absent from school for extracurricular activities in excess of fifteen days per semester, and no class shall be missed in excess of fifteen times per semester for interscholastic extracurricular activities. The secretary may issue a waiver relating to the number of absences for participation in any state or national competition that is not an interscholastic extracurricular activity.

4. Prior to participation in a state conference or competition, the activity/sponsor/coach must submit a completed and signed NMMA Verification of Eligibility form attached to a list of participating students to the NMMA office. This form may be found on the
NMAA website at www.nmact.org. The link for submitting this information is located on the Activities page of the NMAA website.

8.1.2 Extracurricular Activities

Extracurricular activities are school sponsored activities not required by law or the Educational Standards for New Mexico Schools which have practice, meetings, events, performances, or interscholastic competition. Implementation of the Public School Reform Act precludes using school time for practice, meetings, and events.

Extracurricular activities provide worthwhile contributions to student growth and development. While these activities may have an indirect relation to the school’s curriculum, extracurricular activities do not include direct instruction of the state-required student competencies established in Educational Standards for New Mexico Schools.

All participants (administrators, coaches, student participants, officials, parents, fans, etc.) are expected to: a) conduct themselves in a manner which reflects the NMAA Sportsmanship Initiative – “Compete with Class” core values (Respect, Integrity and Responsibility) and b) hold themselves and other participants accountable for actions that do not reflect those core values. (See 1.7)

GPA and attendance requirements of the Public School Code apply for all extracurricular activities. (See 8.1.1)

Note: In addition to scholastic and attendance requirements, bowling participants must meet residential requirements as defined in Section VI of the NMAA Bylaws.

8.1.3 Physicals/Insurance/Catastrophic Insurance Requirements

Bowling, JROTC and Rodeo participants must maintain an annual physical that is kept on file with the local school (Please see 6.15 for specific guidelines). Bowling, JROTC and Rodeo participants must also have insurance coverage on file with the school as specified in 6.16.

8.1.4 Emergency Equipment and Planning

State Championship venues for Bowling, JROTC and Rodeo must have a venue-specific Emergency Action Plan (EAP) and be equipped with an accessible Automated External Defibrillator (AED) during State Championship contests. Failure to meet either of these requirements forfeits the venue’s ability to host State Championship contests.

8.1.5 Co-Curricular Activities

Co-curricular activities are activities that are an extension of classroom instruction which are governed by the Educational Standards for New Mexico Schools or local board policy. Classroom instruction should require no more than twenty (20) hours per month of time for a student outside of the regularly scheduled instructional day for practice, meetings, events, or performance. Co-curricular activities are required as part of the course work if a student is to receive credit for the
course. Co-curricular activities do not require that students be absent from class other than the sponsoring class for practice, meetings, events, or performance. Scholastic requirements for co-curricular activities may be waived depending on the specific situation.

**Q1:** A student is enrolled in a ROTC class which meets during the school day. The cadets will be performing during halftime of the homecoming football game. A student member of the group has not met the minimum 2.0 or Cumulative GPA requirement for the previous grading period. Is the student eligible to participate?

**A1:** If participation in the event is a required component of the class, and the event is not a contest, the student is eligible to participate.

### 8.1.6 Constitutions

Activities organizations that are affiliated with the Association must have a current constitution on file. These constitutions must be updated when applicable and should be received by the first day of the current school year. Participation in NMAA activities is subject to NMAA Bylaws and the national charter and constitution of each individual activity.

### 8.1.7 Out-of-State Travel

Activities organizations that plan to compete or perform in interscholastic competitions outside the state of New Mexico must receive written approval from the local school district.

### 8.1.8 Home School Student Eligibility

- **A.** As per New Mexico State Legislation, home school students are permitted to participate in NMAA activities at the public school in the attendance zone in which they live.

- **B.** A home school student who participates on a public school team in the attendance zone in which they reside is eligible to compete for individual awards under the name of that public school.

- **C.** A home school student’s participation on a public school team in the attendance zone in which they reside counts towards the final placement of that team in regards to any state awards.

- **D.** Additional participation guidelines such as practice requirements, entry fees, etc. shall be determined by the individual activity.

- **E.** Home school students are subject to any and all requirements set forth by the activity.

- **F.** The individual activity, based on the constitution of its national governing organization, has the purview to allow home school teams to participate.

- **G.** A home school student who participates on a home school team is not eligible for state awards.

- **H.** A home school team, although eligible to participate in state competitions, is ineligible to compete for state awards.

**Note:** Please see NMAA Bylaws 10.5 for further information
8.2 NON-COMPETITIVE SPIRIT – SIDELINE ONLY

8.2.1 Scholastic Eligibility

All Spirit Students must adhere to the same scholastic requirements set forth by the Association for athletic participation. (See 6.2 and 8.1.1)

8.2.2 Coaches Education

All Coaches and Sponsors must have a coaching license which is issued by the State Education Agency and be an employee or have a contractual relationship with that particular school system (this applies to both voluntary and paid individuals). All cheer/dance/drill or spirit coaches/sponsors, and athletic coaches (or those individuals who fulfill the responsibilities attached to these groups or teams in said capacity) are required to be licensed by the state and must take the NMAA Coaches Education Program prior to filling the role of coach/sponsor/advisor. Requirements of this provision may be waived by the Secretary of Education for temporary licensure.

Note: Spirit coaches must also complete the NFHS/AACCA Spirit Safety Certification Course.

8.2.3 Safety

All NFHS safety rules apply to all NMAA spirit squads at all times. Violation of safety guidelines at anytime during the school year may result in NMAA sanctions.

8.2.4 Consent/Physicals/Insurance/Catastrophic Insurance Requirements

Spirit participants must maintain an annual physical with a consent to treat statement that is kept on file with the local school (Please see 6.14, 6.15 for specific guidelines). Spirit participants must also have on file insurance coverage as specified in 6.16.

8.2.5 Performances

For purposes of performances, i.e. pep assemblies, weekly games and half-time performances, Spirit Students may perform regardless of residency status. However, all Students must meet scholastic requirements in order to perform.
