

NMAA Board Summary
January 9, 2012

The NMAA Board of Directors met in special session today via teleconference, to hear the alignment and classification appeals of NMMI and Pojoaque which were tabled at the December 1, 2011 NMAA Board of Directors' meeting.

New Mexico Military Institute asked the Board to consider (1) allowing all foreign students to be eligible immediately at the varsity level or (2) if those foreign students are not eligible for varsity competition don't count those 40 first year students in the total enrollment numbers of Alignment and Classification for the 2012-2013, 2013-2014 school years.

A motion was made to keep the four-year alignment and classification block consistent for the remainder of the block (2012-2013, 2013-2014), thereby keeping those schools who appealed their movement up in classification at the June 9, 2011 Board meeting at their current classification.

The Board of Directors voted unanimously to allow New Mexico Military Institute to remain in Class 2A in all sports, Capitan to remain in 1A in baseball, basketball and volleyball, and Desert Academy to stay Class 1A track & field for the 2012-2013, 2013-2014 school years.

Pojoaque High School asked the Board to consider moving Pojoaque from Class 3A District 5 to Class 3A District 2 for the 2012-2013, 2013-2014 school years.

The Board of Directors voted unanimously to allow Pojoaque High School to move to District 2 in all sports for the 2012-2013, 2013-2014 school years.

See attached 2012-2013, 2013-2014 Alignment and Classification.

The Board of Directors next regular meeting will be held on March 7, 2012 at The Pit.
